DECIDE

The interactive **College Admissions Tool** is designed to help high school upperclassmen understand how their current academic performance compares to Colorado four-year college and university admissions standards. Students may also use the planning features to guide their work as they prepare for **College Application Month**.

The screenshot shows the 'Matching College List' interface. At the top, there are navigation tabs: 'My Coursework', 'My Progress', 'My Scorecard', and 'My Plan'. Below these is a 'COLLEGE OPTIONS WIZARD' button. The main heading is 'Matching College List'. There are two view options: 'LIST VIEW' and 'MAP VIEW'. Below this, there are two comparison gauges. The first gauge is for 'H.S. GPA Mid-Range' with a scale from 1.0 to 5.0. The user's score is 3.4, which is labeled as '3.4 is competitive'. The second gauge is for 'ACT Mid-Range' with a scale from 12 to 24. The user's score is 20, which is labeled as '20 is competitive'. There are also buttons for 'Select Colleges', 'Compare Now', and 'View Progress'.

- Use the **Build Options Wizard** or go straight to the **Matching College List** to explore and review detailed information about Colorado's two- and four-year colleges and universities.
- Enter goal or current GPA and ACT/SAT test scores to see how your performance compares to score ranges for admitted students at each college and university.
- Select your favorite colleges and universities to analyze side-by-side and use **My Progress** and **My Scorecard** to compare your performance to college expectations.
- Use **My Plan** to achieve your best chance for admission to your college or university of choice.
