IHaveaPlanIowa Available in More Languages

At XAP, we recognize that students arrive at schools' doorsteps with all kinds of backgrounds – including different languages. That's why we've added Google Translate to IHaveaPlanIowa.org. With over 100 available languages, Google Translate offers students and educators the opportunity to use IHaveaPlanIowa.org to help all students.

To use Google Translate, simply select a language from the drop-down list at the top right of every page. The text on the page will then be translated.
