

Dear Student,

On April 24, 2012, you and your classmates will participate in the weekday administration of the ACT® college admissions test. As you prepare for the test, know that you have the support and encouragement of your Colorado colleges and universities.

One of your goals for the upcoming ACT is to find a college or university that offers the programs and services most important to you. As part of your "pre-test session" for the ACT you have the opportunity to select up to four colleges and universities to receive your scores. A wide range of higher education opportunities and majors is available right here in your home state, and we encourage you to stay in Colorado for this next phase of your educational career. Please consider sending your scores to one or more of our Colorado colleges or universities. Those institutions' ACT codes are provided on the reverse side of this letter and can be used as you select colleges to receive your scores.

We also encourage you to be thorough in completing the Student Profile Section during the ACT pre-test session. Colleges and universities will use this information to inform you about their academic programs, activities, events, and unique campus characteristics that match your needs and interests.

Your transition to college or the workforce is crucial to Colorado's future and that of our nation. You have tremendous potential, and we encourage you to give your best effort on the ACT, as well as on your remaining high school coursework.

Remember, you are the future of Colorado and of our country. Always strive to achieve great things!

Sincerely,

Your Colorado Colleges and Universities

This list of Colorado college and university codes can help you determine which schools you would like to receive your ACT scores.

College Code	Institution Name	College Code	Institution Name
0496	 Adams State College	0529	 JOHNSON & WALES UNIVERSITY Johnson and Wales University
