

## New Design for WaytoGoRI.org

---

XAP is continually striving to offer the best possible career and college planning product – that’s why we have updated WaytoGoRI with a new look and a more responsive design, which means that it is more mobile and tablet friendly. The new design will be released on October 31, 2017.

The new look of WaytoGoRI.org is more modern while still retaining the traditional WaytoGoRI blue. The homepage has been completely redesigned to engage students and their parents. At the top of the page is a carousel of images and links to content answering questions such as “How will I pay for college?” or “What should I do to prepare for college?”. End users can also easily access key content under the headings, News Spotlight, Education in RI and Resources.

WaytoGoRI redesigned home page

The landing pages for middle, high school and postsecondary students have a new layout with bigger images, and simplified sidebars. Students can quickly see their progress on assigned ILP activities on the ILP progress bar prominently displayed (if assigned an ILP).

## Responsive Design Enhancements

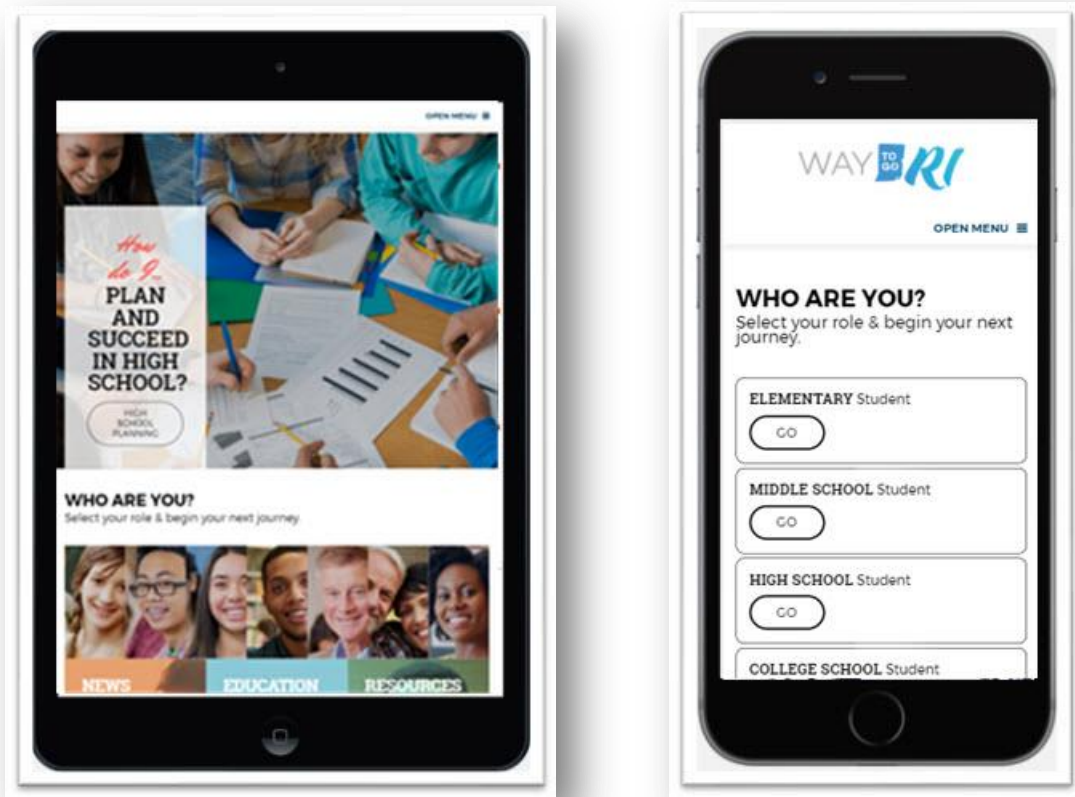

The responsive design enhancements will detect each user's screen size and orientation, and will adjust the layout of the page accordingly. The result is an optimal viewing experience – easy reading and

navigation with a minimum of resizing, panning and scrolling. This will allow WaytoGoRI to reach more users via a larger array of devices.

The updated pages include (but are not limited to):

- Homepage, account creation, sign in, account credentials recovery pages, and role-based landing pages
- Help, privacy policy, terms of use, sources
  
- Career Planning section menu page
- Learn About Yourself menu page
- Interest Profiler
- Explore Careers menu page
- Get a Job menu page
- Voices menu page
  
- High School Planning menu page
- High School Planning Timeline
- College Planning section menu page
- College Planning Timeline
- Prepare for College menu page
- Explore Schools menu page
- Explore Programs and Majors menu page
- Applications menu page
- Application Manager
  
- Financial Aid Planning menu page
- Financial Planning Timeline
- Financial Aid 101 page
- Financial Aid articles
- Build Your Financial Aid Plan menu page
- Calculators menu page
- Your Portfolio index page
