

Professional Center Access Codes

The Professional Center allows professionals- counselors, teachers, advisors- to have access to the work done by students on WaytogoRI.org. It offers a variety of tools designed to assist educators in maximizing the use of WaytogoRI.org.

Professionals can get information on work their students have done; they can communicate with students, assign, monitor and report student work; and they can access hundreds of lessons and activities.

To request your Professional Center Access code please complete the fields below and a WaytogoRI team member will contact you within 1-2 business days. The completed form can be e-mailed to waytogori@riheaa.org or faxed to 401-732-3541.
