RELEASE NOTES SUMMARY

These release notes detail the product improvements and new features included in the July 24th release.

Resolved Issues (formerly improvement report)

- Courses with a final mark of “F” were contributing graduation completion credits instead of zero credits. This has now been fixed.
- “My Reviews and Comments” portfolio activity for parents was not appearing for parents after the parent(s) connected their account to their student’s account.

Updates and New Features

- Based upon updates from O*NET, select occupations were updated with revised labor market information (salary, outlook), education requirements, and updated occupation names.

1. RESOLVED ISSUES

This table summarizes the product improvements included in the July 24th release.

	Problem	Improvement
1	Student Center: Within the Plan of Study, courses with a final mark of "F" were contributing graduation completion credits instead of zero credits. (73979)	The Plan of Study has been fixed so that a course with a final mark of "F" does not contribute any credits towards graduation.
2	Student Center (Parent account): "My Reviews and Comments" portfolio activity for parents was not appearing for parents after the parent(s) connected their account to their student's account. (78306)	The portfolio activity, "My Reviews and Comments" now is available to parents to provide feedback upon their student's assigned activities work.

2. OCCUPATION UPDATE

Each year, occupation profiles within IHaveaPlanIowa are updated to reflect new data from O*NET as well as other sources. In addition to the updated career data, the names of 87 occupations have been revised. Each full career profile has been updated with national, state and regional wage, outlook and employment data.

Sample revised occupation titles include:

Old Occupation Title	Revised Occupation Title
Automotive Mechanic	Automotive Master Mechanic
Computer Support Specialist	Computer User Support Specialist
Floral Designer/Florist	Floral Designer
Small Engine Specialist	Small Engine Mechanic
Wooden Model Builder	Wood Model Maker
