## ***RELEASE NOTES SUMMARY***

These release notes detail the product improvements and new features included in the April 8th release.

### **Resolved Issues** (formerly improvement report)

- Some Professional Center account holders were not able to print student's Plans of Study.
- When a Professional Center account holder sent an email to a parent with a link to review a student's Plan of Study, the link was broken.
- When completing the Thank-you Letter activity within an assigned curriculum, the activity was requiring 3 letters to be saved instead of one as indicated in the activity definitions.

### **Enhanced & New Features**

- There are no enhancements or new features in this release.

# 1. RESOLVED ISSUES

This table summarizes the product improvements expected to be included in the April 8th release.

	Problem	Improvement
1	<b>School Professional Center:</b> Some Professional Center account holders were not able to print an individual student's Plan of Study. (79238)	The code was reviewed and updated so that this intermittent problem no longer occurs.
2	<b>School Professional Center:</b> When a Professional Center account holder sent an email to a parent with a link to review a student's Plan of Study, the link was broken. (79254)	The system has been updated such that links sent from the Professional Center to parents for the purpose of reviewing the Plan of Study now allow parents to review their student's Plan of Study.
3	<b>Student Center:</b> When completing the Thank-you Letter activity within an assigned curriculum, the activity was requiring 3 letters to be saved instead of one as indicated in the activity definitions. (79358)	The logging of the saved Thank-you Letters has been reviewed and updated. The activity is completed after one Thank-you Letter has been saved.
