RELEASE NOTES SUMMARY

These release notes detail the product improvements and new features included in the April 29th release.

Resolved Issues (formerly improvement report)

- When a professional account holder updates their email address, the updated email address was not updating properly in the Professional Center Communication tool.
- The keyword search on the Explore Careers page was returning incorrect results.

Enhanced & New Features

- In the Professional Center, the link to the Companion account is now a button so it's more visible.

1. RESOLVED ISSUES

This table summarizes the product improvements expected to be included in the April 29th release.

	Problem	Improvement
1	School Professional Center: When a professional account holder updates their email address, the updated email address was not immediately updating properly in the Professional Center Communication tool. (79486)	The code was reviewed and updated so the updated email address appears immediately in the Communication tool.
2	Student Center: When a student used the Search Careers functionality on the Explore Careers page to search for a specific career, the results were inconsistent and occasionally unclear. Additionally, results were shown in alphabetical order rather than best match. (77984).	The search query was revised to prioritize, and display results based upon the following: title, alternative titles, and career description

THE LINK TO THE COMPANION ACCOUNT IS NOW A BUTTON

The link from the Professional Center to a Student Center companion account is now a button. The button gives the link better visibility.

The screenshot displays the 'i have a plan IOWA Professional Center' interface. At the top right, it says 'Welcome, Yazy Young Iowa High School - Demo'. A navigation bar includes 'Students & Groups', 'Reports', 'Resources', 'Communication', 'Alumni Outcomes', 'AppDocs', and 'Administration'. Below this is a blue header with 'Home' and 'School Account'. The main content area is divided into two columns. The left column contains four sections: 'Students & Groups' (Find individuals, define groups of students and manage your groups. Includes a 'Students & Groups >' button), 'Reports' (Create reports showing site usage, assessment results and outcomes. Includes a 'Reports >' button), 'Resources' (Find lesson plans for your subject, and get help using the system. Includes a 'Resources >' button), and 'Communication' (Send or review messages and set up your events calendar. Includes a 'Communication >' button). The right column features a callout box with an exclamation mark icon and the text 'Click here to use a student, adult or job seeker account.' Below this is the text 'To navigate as a student or adult/job seeker, click here.' and a prominent blue button labeled 'Companion Account'. Further down is the 'Communication Log' section (Add new or manage existing communication log entries. Includes a 'Communication Log' button). A red arrow points from the 'Home' link in the blue header to the 'Companion Account' button.
