10. Limited Professional Assignment Improvement	14

RELEASE NOTES SUMMARY

These release notes detail the product improvements and new features included in the June 10th release.

Resolved Issues (formerly improvement report)

- The “insert bullet” functionality within the Resume Builder was not inserting bullets.
- District administrators could not access the Survey Builder.
- An incorrect label in This is Me in Your Portfolio was displaying.
- Links on the first page of the Thank-you Letter Builder were displaying incorrectly.
- When using the Work Values Sorter with a tablet, the keyboard shortcuts were not working.

Enhanced & New Features

- Each section’s and some subsections’ landing pages in IHaveaPlanIowa.org have been redesigned.
- Students can now change their security question and answer in the This is Me section of Your Profile in Your Portfolio.
- The Practice Application in College Planning has been updated with clearer instructions and a new look and feel.
- The 12th grade timeline content has been refreshed.
- Clicking on the account holder’s name at the top right of each screen now links to The Basics in Your Portfolio.
- Release Notes are now available in the Need Help section.
- When merging accounts, educators can now see the student’s date of birth as part of the Review and Confirm step.
- Microsoft Edge has been added as a supported browser and Internet Explorer has been removed.
- For clients with SIS integration, they are now able to add multiple limited professionals to assigned students.

1. RESOLVED ISSUES

This table summarizes the product improvements included in the June 10th release.

	Problem	Improvement
1	Student Center: When a student tried to insert bullets into their final resume, bullets were not appearing. (79230)	The code was reviewed and updated so that bullets now appear when inserted
2	Professional Center: When a district administrator tried to access the district-level Survey Builder, the page did not appear. (79600).	The link to the district-level Survey Builder was causing the page to reload rather than load the Survey Builder. This has now been fixed.
3	Student Center: On the This is Me page in Your Portfolio, a headline (Account connected with) was displaying when it should not be. (79556)	The headline was removed from the code.
4	Student Center: On the first page of the Thank-you Letter Builder, the links were not displaying correctly. (79573)	The formatting has been updated and the links now display properly.
5	Student Center: The keyboard strokes (such as CTRL+M) used when using a tablet to complete the Work Values Sorter were not working so students could not complete the Work Values Sorter. (79580)	The keyboard strokes used to move the cards in the Work Values Sorter when using a tablet now work. In addition, students can use the touchscreen of their tablet to move the cards.

2. REDESIGN OF SECTION AND SUBSECTION LANDING PAGES

Key menu pages in IHaveaPlanIowa.org have been redesigned. Old, out-of-date images have been removed and replaced with icons, new layout, and a modern look and feel. Activities now display with a progress bar to indicate how much of the activity the student has completed.

The updated pages are: Career Planning including Learn About Yourself, Explore Careers, and Get a Job; High School Planning; College Planning including Explore Schools, Explore Programs and Majors, and Get to College; Financial Aid Planning including Financial Aid Calculators, and Build Your Financial Aid Plan; and Your Portfolio including Your Profile Index, Career Planning Index, and College Planning Index.

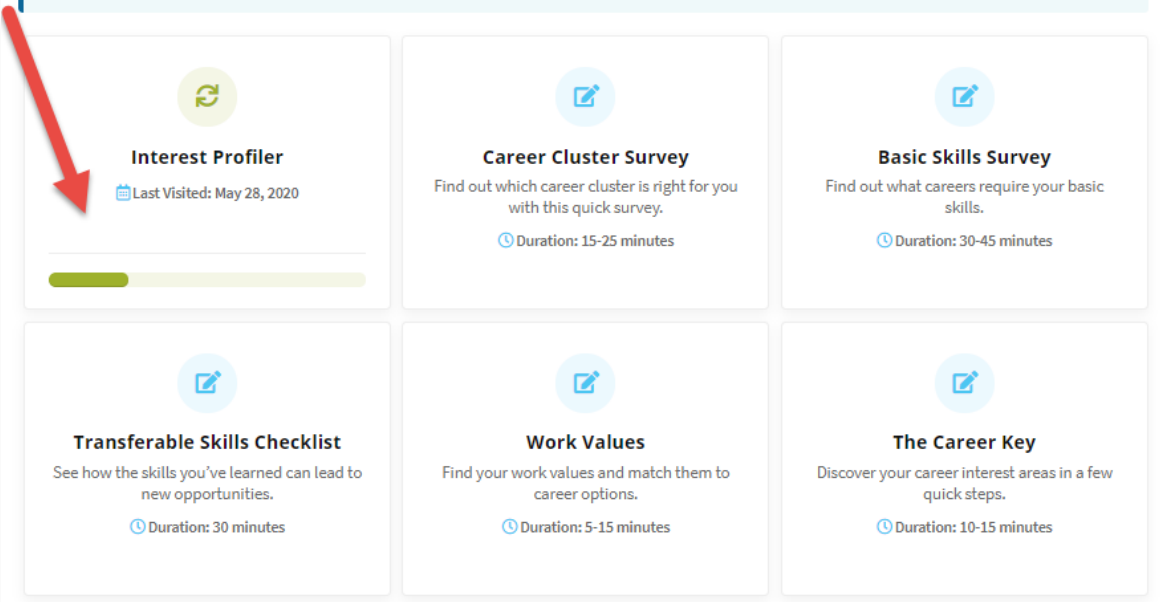

The refreshed Career Planning menu page showcases the new layout with tiles for each subsection menu, and new icons.

The tiles link to the next section or content and increase slightly in size when hovered over. Assessments and inventories now show a progress bar when a student has started, but not completed, the activity.

Learn About Yourself

You can learn about yourself in many different ways. Explore how who you are matches with careers by using one or all of the career assessments listed below.

 Interest Profiler Last Visited: May 28, 2020 <div style="width: 20%; height: 10px; background-color: #8bc34a;"></div>	 Career Cluster Survey Find out which career cluster is right for you with this quick survey. Duration: 15-25 minutes	 Basic Skills Survey Find out what careers require your basic skills. Duration: 30-45 minutes
 Transferable Skills Checklist See how the skills you've learned can lead to new opportunities. Duration: 30 minutes	 Work Values Find your work values and match them to career options. Duration: 5-15 minutes	 The Career Key Discover your career interest areas in a few quick steps. Duration: 10-15 minutes

3. SECURITY QUESTION AND ANSWER ADDED TO YOUR PORTFOLIO

Choices360 users can now change or update their security question and answer from the This is Me section within My Profile in Your Portfolio. In addition, a user is now prompted to review their security question and answer during a password reset. When the user changes their security question, an email is sent confirming (or notifying) the user of the change.

The screenshot shows the 'Your Profile' page with the 'THE BASICS' tab selected. The 'This is Me' section includes an 'Edit' button. Below it, the user's role is 'High School Student' with a 'Change' button. The user's name is 'Gwen Marsh' and their email address is 'gmarsh12@mailinator.com'. The main username is 'qa2gmarsh'. At the bottom of this section, there are two buttons: 'Change Password' and 'Change Security Question'. A red arrow points to the 'Change Security Question' button.

New change security question functionality

The screenshot shows the 'Edit' function for the security question. The 'This is Me' section is visible at the top. The 'Security Question' section is highlighted in light blue and contains a 'Question' dropdown menu with the text 'In what city were you born?' and an 'Answer' field with a masked password '*****'. At the bottom of this section are 'Save' and 'Cancel' buttons.

Edit function

4. UPDATED PRACTICE COLLEGE APPLICATION

The Practice College Application available in College Planning → Get to College has been updated with new, clearer instructions as well as a new look and feel. The race/ethnicity question and gender question have been revised to reflect what is currently in use in college applications.

Get to College

My Colleges & Applications
Review and manage your favorite colleges, track application tasks, request transcripts and recommendations.

Practice a College Application
Take this opportunity to practice a college application, so your real one will shine!

College Prep

Be a Star -- Get Recruited!
Help colleges recruit you! Pick your favorite colleges and make your portfolio data available for their review.

Practice Application

Application for Admission

WELCOME TO YOUR PRACTICE APPLICATION!

Many colleges use the introduction page of their application to give you information on program or college admission requirements. Take the time to read their first page carefully before you begin filling out the application.

Most college applications require you to provide the following types of information.

- Your name and address
- Personal information such as gender, citizenship, ethnicity (some of these fields will be optional)
- Enrollment information including whether you're applying as a freshman or transfer student and your intended major
- Educational information such as the high school you attended and your test scores
- Activities and interests including work and volunteer experiences
- Parent information

Before you begin filling out the application on the next few screens, take the time to look through what's required and gather any materials you may need (such as records of your volunteer experiences).

New instructions for the Practice Application

5. 12TH GRADE TIMELINE REFRESHED

The timeline covering college planning, financial aid planning and postsecondary planning for 12th grade students has been refreshed to reflect changes in entrance exams, financial aid planning and other key dates.

High School Planning Timeline

- > Introduction
- > 7th Grade
- > 8th Grade
- > 9th Grade
- > 10th Grade
- > 11th Grade
- > **12th Grade**
- > College Freshman Year

12th Grade

All 12th grade planning steps are shown.
High School Planning steps are highlighted.

Fall Semester

- Keep studying!**
You want to avoid "senioritis" – a drop in motivation and, consequently, grades, that is sometimes experienced by seniors.
- Talk to your counselor about possibilities for concurrent enrollment (taking college-credit courses while you're still in high school).**

Save your money!
It's a good idea to start planning for those unexpected costs of college. [> College Savings Calculator](#)

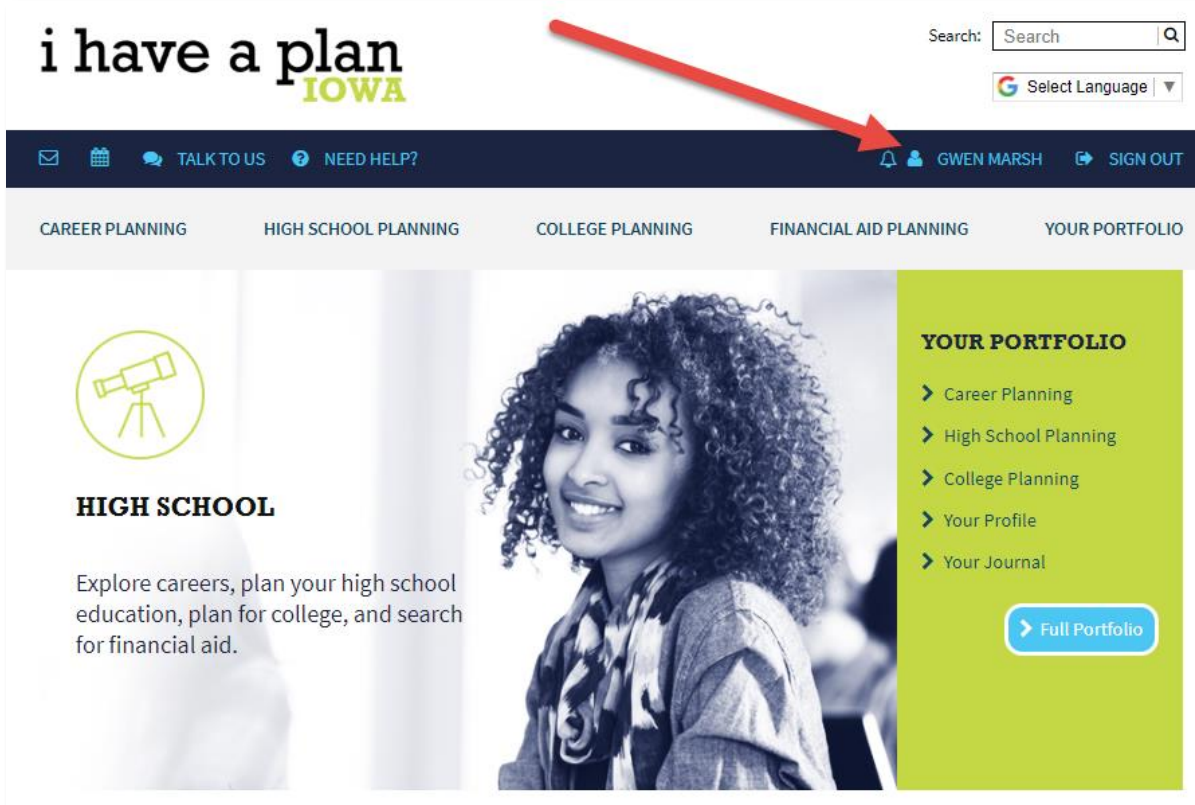

Some colleges require the CSS/PROFILE, a supplemental financial aid form, in addition to the FAFSA.
Find out if your schools will need this.

September:

- Check your transcripts to make sure you have all the credits you need to get into the colleges that interest you.**
Find out from the colleges whether or not they need official copies of your transcripts (these are sent directly from your school).

6. UPDATED LINK FROM NAME TO THE BASICS

By clicking on your name (account holder's name) at the top right of every screen, a user now is linked directly to The Basics page in Your Portfolio. This makes it easier for students to quickly make changes to their account information such as role or email address.

7. RELEASE NOTES NOW AVAILABLE IN NEED HELP?

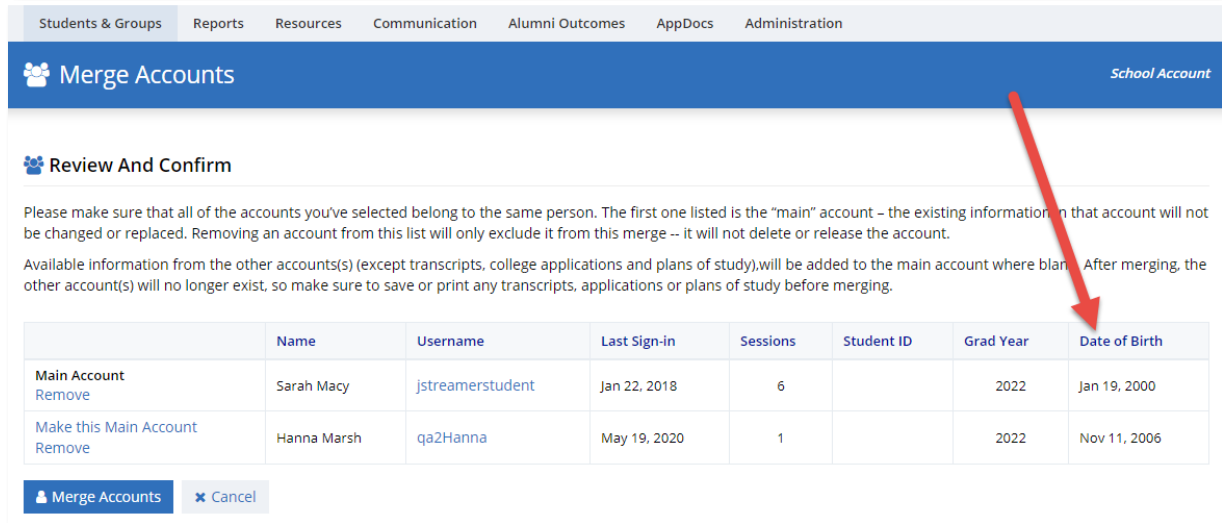

With each major release, XAP publishes release notes detailing the improvements (bug fixes) and new or enhanced features in the release. The notes were previously found either on the Professional Center home page or on the Educator page linked from the Student Center.

The release notes now appear in the Need Help section with the most recent notes showcased. An archive of previous release notes is available.

The screenshot shows the i have a plan IOWA website interface. At the top left is the logo "i have a plan IOWA". To the right is a search bar and a "Select Language" dropdown. Below the logo is a dark navigation bar with icons for email, calendar, chat, and "TALK TO US", and a "NEED HELP?" link with a question mark icon. To the right of this bar are a notification bell, the user name "GWEN MARSH", and a "SIGN OUT" link. Below the navigation bar is a horizontal menu with categories: "CAREER PLANNING", "HIGH SCHOOL PLANNING", "COLLEGE PLANNING", "FINANCIAL AID PLANNING", and "YOUR PORTFOLIO". The main content area is titled "Need Help?". It contains three sections: "Contact Us" with a list of contact options (U.S. toll-free hotline, Email, Chat); "Frequently Asked Questions" with a link to FAQs; and "Latest Updates" which includes a sub-section "More Activities Trackable by Grade!" and "Previous Product Updates" with a list of release notes from September 2019 to March 2019, and a link to "Archives". Two red arrows are overlaid on the image: one points to the "NEED HELP?" link in the navigation bar, and the other points to the "Latest Updates" section.

8. DATE OF BIRTH NOW VISIBLE IN MERGE ACCOUNTS PROCESS

When merging accounts, educators can now see the student's date of birth as part of the Review and Confirm step. This provides educators an extra data field to use to check that the accounts should be merged. Merge accounts functionality is found in the Students & Groups section of the Professional Center.

The screenshot shows the 'Merge Accounts' interface in a web application. At the top, there is a navigation bar with tabs for 'Students & Groups', 'Reports', 'Resources', 'Communication', 'Alumni Outcomes', 'AppDocs', and 'Administration'. Below this is a blue header with the 'Merge Accounts' title and a 'School Account' label on the right. The main content area is titled 'Review And Confirm' and contains instructions: 'Please make sure that all of the accounts you've selected belong to the same person. The first one listed is the "main" account -- the existing information in that account will not be changed or replaced. Removing an account from this list will only exclude it from this merge -- it will not delete or release the account. Available information from the other account(s) (except transcripts, college applications and plans of study), will be added to the main account where blank. After merging, the other account(s) will no longer exist, so make sure to save or print any transcripts, applications or plans of study before merging.'

	Name	Username	Last Sign-in	Sessions	Student ID	Grad Year	Date of Birth
Main Account Remove	Sarah Macy	jstreamerstudent	Jan 22, 2018	6		2022	Jan 19, 2000
Make this Main Account Remove	Hanna Marsh	qa2Hanna	May 19, 2020	1		2022	Nov 11, 2006

At the bottom of the interface, there are two buttons: 'Merge Accounts' and 'Cancel'.

9. SUPPORTED BROWSER UPDATE

Microsoft Edge has been added as a supported browser and Internet Explorer has been removed. Supported browser information is available in the Help section.

Compatible Browsers

Effective June 10, 2020

Windows

- [Chrome \(download\)](#)
- [Mozilla Firefox \(download\)](#)
- [Microsoft Edge \(download\)](#)

Mac

- [Safari \(download\)](#)
- [Chrome \(download\)](#)
- [Mozilla Firefox \(download\)](#)

Note: other operating system/browser combinations will likely work, but are not actively tested or officially supported.

Browser Configurations

The following must also be installed or configured in order to use critical applications on this website:

- [Adobe Flash Player \(download\)](#)
- [Adobe Reader \(download\)](#)
- Pop-up blockers disabled or configured to allow pop-up windows from this website
- JavaScript and Cookies enabled (see our [privacy policy](#))

10. LIMITED PROFESSIONAL ASSIGNMENT IMPROVEMENT

Clients with SIS data services (integration) are now able to assign multiple professional accounts with limited rights (called Limited Professional accounts) to students. Students can be assigned to an unlimited number of Limited Professional accounts.
