|---|--|---|
| 1 | <b>Student Center:</b> The instruction “Mark this as up to date” was not appearing properly on the My Goals and Action Plan activity when assigned to a curriculum. (80431)  | The code was reviewed and updated so that the instruction, “Mark this as up to date” appears appropriately for students completing their assigned curriculum.       |
| 2 | <b>Student Center:</b> The Succeeding in High School articles found in the High School Planning section were not displaying. (80510)   | The script publishing the articles was fixed so the articles now appear.  |
| 3 | <b>Student Center:</b> An error message (email failed) was displaying when a user emailed a career profile to another user. However, the email was still being sent out and was received. (80365)  | The cause of the inadvertent triggering of the error message was determined and a fix was applied.  |
| 4 | <b>Student Center:</b> In the Send and Receive Messages badge in Your Portfolio, the text was appearing in a small font when it should not have. (80497)   | The styling was reviewed and updated so that the font and associated icon appear correctly.   |
| 5 | <b>Student Center:</b> In the Job Shadowing Experience activity, the word “then” was incorrectly spelled (than). (80490)   | The typo was corrected.   |
| 6 | <b>Professional Center:</b> The text formatting options (bold, underline and other controls) were not appearing in the Instructions text field for the district Assignment & Curriculum Builder. Additionally, the character length was set incorrectly. (80532 / 80493) | The text formatting options have been added and the character length was adjusted to match the character limits in the site/school Assignment & Curriculum Builder. |
| 7 | <b>Professional Center:</b> In Manage Accounts, Alumni Outcomes was missing from the list of privileges for professional administrator accounts (when licensed). (80277)   | Alumni Outcomes was added as a privilege for professional administrator accounts when the school or district has licensed the feature.                              |

## 2. NEW EVENT MANAGEMENT FUNCTIONALITY

The Events management feature in the Communication tools section of the Professional Center has been updated with a new design and enhanced functionality. The Add an Event now has a new, modern, and intuitive look and feel – as do all the views (monthly, weekly, daily, all) in the Calendar.

The screenshot displays the 'Communication' section of the Professional Center. The top navigation bar includes 'Students & Groups', 'Reports', 'Resources', 'Communication', 'Alumni Outcomes', 'AppDocs', and 'Administration'. The 'Communication' section is active, showing a 'School Account' indicator. The main content area is divided into two columns. The left column is titled 'Events' and contains three sub-sections: 'New Events' with a '+ Add an Event' button, 'Events Calendar' with view options 'View all Events', 'Daily View', 'Weekly View', and 'Monthly View', and 'Upcoming Events' which currently shows 'There are no upcoming events.' The right column is titled 'Messages' and contains a 'Compose New Message' button, 'Inbox (0)', 'Drafts', and 'Sent Messages'. Below these is a 'Send message to a Group:' section with a list of groups including 'ACT Test', 'annelimitedpro students', 'averylimiteds students', 'Bulk Upload 1', 'Bulk Upload 2', 'E's group', 'Eleventh Grade Group', 'everybody', 'GAP', 'Group 360 Limited', 'group for Jaime', 'Jaime', 'Limited Professional', and 'MGAAP'. A red arrow points from the '+ Add an Event' button to the 'Monthly View' button.
