# *RELEASE NOTES SUMMARY*

These release notes detail the product improvements and new features included in the May 12, 2021 release.

**Resolved Issues**

1. When a professional was setting up their account, the language describing the option to receive emails from students requesting a password reset was unclear.

2. When looking at the Parent/Guardian information in The Basics in Your Profile, the delete button was appearing incorrectly.

3. Occasionally students were unable to upload files to their Portfolio.

**Enhanced & New Features**

There are no new or enhanced features in the May 12, 2021 release.

## 1. RESOLVED ISSUES

This table summarizes the product improvements included in the May 12, 2021 release.

| | Problem | Improvement |
|---|---|---|
| **1** | **Professional Center:** When a professional was setting up their account, the language describing the option to receive emails from students requesting a password reset was unclear. (80292) | In the Professional Center account settings, the description was updated to "Are you willing to receive password reset emails from students?" |
| **2** | **Student Center:** When looking at the Parent/Guardian information in The Basics in Your Profile, the delete button was appearing incorrectly. (80823) | The delete button now appears in the correct position (within the Parent/Guardian information section). |
| **3** | **Student Center:** Occasionally students were unable to upload files to their Portfolio. (80840) | When an update to the file upload controls was completed earlier, not all the related code was updated appropriately. This has now been fixed. |
