## ACADEMIC SCHOLARS

### Academic Scholars Program 2019-2020 Year-End Report

#### Highlights:

- ◆ A total of 1,473 students at Oklahoma public and private colleges and universities were enrolled in the Academic Scholars Program in Fall 2019, a decrease of 21 students from 1,494 students enrolled for Fall 2018.
- ◆ The 2019 freshmen class totaled 417 students (247 “automatic qualifiers” and 170 Institutional Nominees), up 40 or 11 percent compared to 377 students in the 2018 freshmen class (211 “automatic qualifiers” and 166 Institutional Nominees).
- ◆ For Fall 2019, the National Merit Corporation reported 136 freshmen designated as National Merit Scholars enrolled in Oklahoma colleges, a decrease of 72 or 35 percent from 208 in Fall 2018.
- ◆ In the 2019-2020 fiscal year, total program expenditures were about \$5.9 million, a decrease of \$100,000 or 2 percent compared to fiscal year 2018-2019.
- ◆ An average of 15 percent of resident participants lose the scholarship after one year in the program; about 70 percent of resident participants retain the scholarship through their fourth year of eligibility.
- ◆ Of the 1,381 resident participants entering into the program between 2012-2014, 73 percent (1,007) earned at least an associate degree from an Oklahoma institution within six years.
- ◆ About 70 percent of all the program’s graduates remain in Oklahoma one year after graduation. The retention rate for Oklahoma residents in the program (79 percent) is significantly higher than for nonresidents (48 percent).
- ◆ About 80 percent of the program participants attend three universities—the University of Oklahoma (45 percent), Oklahoma State University (27 percent) and the University of Tulsa (8 percent). The remaining participants are distributed among public regional universities (12 percent), public two-year colleges (6 percent) and other private universities (2 percent).
- ◆ Available data indicates that program participants generally come from higher income families. About 32 percent of participants did not apply for federal financial aid, indicating a lack of financial need or eligibility for federal student aid. Of the 68 percent of participants that reported parental income on the 2019-2020 federal student aid application, 83 percent reported a family income of \$50,000 or higher; 56 percent reported family income of \$100,000 or higher.
- ◆ Participation rates for ethnic minority students have remained small over the past 5 years; the rate for ethnic minority students in the program in 2019-2020 was 0.3 percent for Black students, 4 percent for Hispanic students, and 2 percent for American Indian students.

## Qualifying Criteria

To automatically qualify for the Academic Scholars Program, Oklahoma residents must have received the designation of National Merit Scholar, National Merit Finalist, or Presidential Scholar. Oklahoma residents may also qualify by achieving a score in the top one-half percentile on the ACT or SAT. For 2019, the qualifying ACT score was a sum score of 135 and SAT score was 1540 on the math and verbal sections.

The 1999 Legislature created another avenue by which students can qualify for ASP awards-Institutional Nominees. Applicants may qualify for consideration at public colleges and universities by meeting at least one of the two criteria listed below:

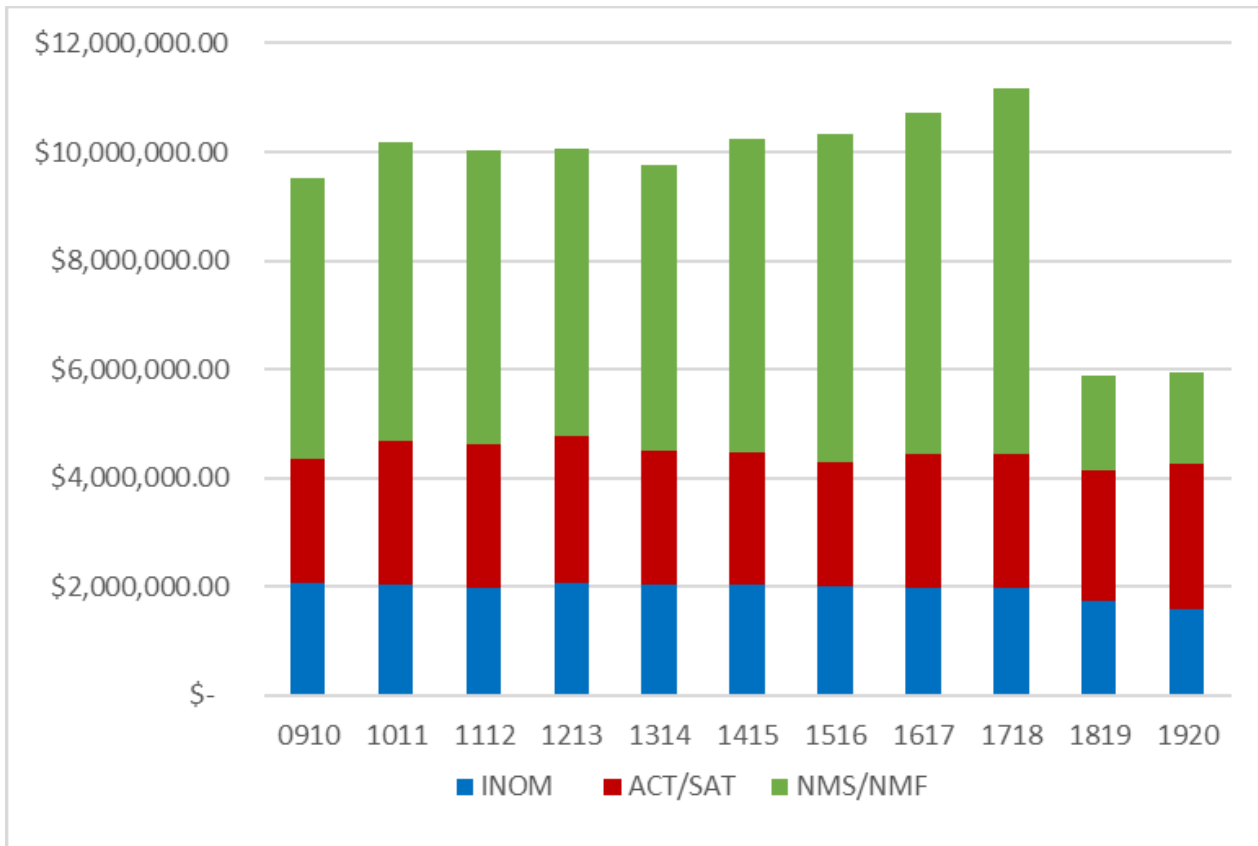

### One of the Two Criteria

| <u>Tier</u>           | <u>ACT or SAT<br/>Equivalent</u> | <u>GPA and Class Rank</u>   |
|-----------------------|----------------------------------|---|
| Research              | 32 or SAT<br>Equivalent          | GPA 3.9 and either Top 2% Class Rank or rank of first or second in their graduating class |
| Regional Universities | 30 or SAT<br>Equivalent          | GPA 3.8 and either Top 4% Class Rank or rank of first or second in their graduating class |
| Two-Year Colleges     | 29 or SAT<br>Equivalent          | GPA 3.7 and either Top 5% Class Rank or rank of first or second in their graduating class |
