1. RESOLVED ISSUES

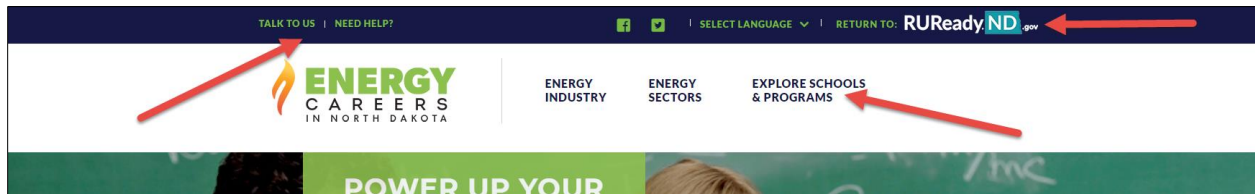

This table summarizes the product improvements included in the July 13, 2022, release.

	Problem	Improvement
1	Limited professionals with an assigned group are seeing a blank blue panel at the top of the Students & Groups page. (PPS-1713)	A limited professional who does not have an assigned group should see a blue panel displayed with the text, "You currently have no assigned students" at the top of the Students & Groups page. When a group is assigned, the blue bar is no longer displayed.
2	When viewing the Career Cluster List of Programs & Majors, the pagination was broken. When page 2, 3, etc. was selected, the top of page 1 was re displayed and never went to the second page. (PPS-1324)	The pagination issue when viewing the Career Cluster list of Programs & Majors is now working properly. The appropriate page is displayed when the page numbers are selected.
