## ***RELEASE NOTES SUMMARY***

These release notes detail the product improvements and new features expected to be included in the August 24, 2022, release.

### **Resolved Issues**

1. The VOICES menu, and pages have been retired and are no longer displayed when viewing Career Planning, High School Planning, and College Planning.
2. In Alumni Outcomes, the “Generate Grad File” header will now display the correct year.
3. When bigger text is selected with the UserWay accessibility widget, the menus will no longer overlap.

### **Enhanced & New Features**

- A new Parent/Guardian Connections report has been added to Professional Center Reporting.
- Date Achieved has been added to the Assignment & Curriculum Tracking Report in place of the checkmark.
- When creating a new account in the Professional Center, the error message displayed when required fields are not completed has been updated for improved usability.
- A new Work-Based Learning module has been added to support tracking, student participation, and reporting of Work-Based Learning Opportunities and their associated experiences.

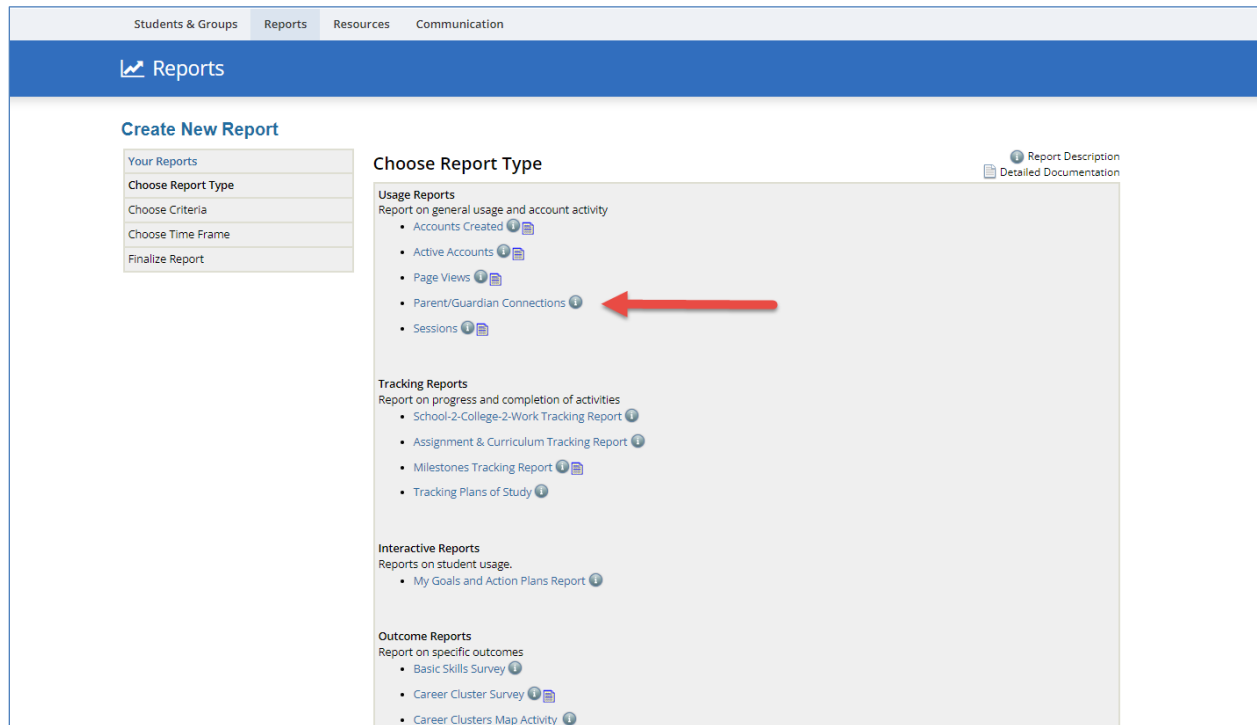

## 1. RESOLVED ISSUES

This table summarizes the product improvements expected to be included in the August 24, 2022, release.

	Problem	Improvement
1	The content on the VOICES pages has not been recently updated. (PPS-1968)	The VOICES menu, and pages have been retired and are no longer displayed when viewing Career Planning, High School Planning, and College Planning.
2	In Alumni Outcomes, the header for "Generate Grad File" was displaying "Generate File for Class of 2019." (PPS-2047)	The header will now automatically update each year on July 1 <sup>st</sup> to ensure the correct year is always displayed.
3	When bigger text is selected with the UserWay accessibility widget, the menu headers overlapped. (PPS-1883)	This issue has been resolved. The menus will no longer overlap.

## 2. PARENT/GUARDIAN CONNECTIONS REPORT

A new Parent/Guardian Connections report has been added to Professional Center Reporting under Usage Reports. The purpose of this report is to provide information on students who have connected their account with a parent or guardian. The report lists, by student, the parent/guardian's name, last sign in, and connection date.

## 4. UPDATED PROFESSIONAL CENTER ACCOUNT CREATION ERROR MESSAGE

When creating a new account in the Professional Center, the error message displayed when required fields are not complete has been updated. The error information will now be displayed in bolded red text.

The screenshot shows a web interface for 'Manage Professional Accounts'. The top navigation bar includes links for 'Students & Groups', 'Reports', 'Resources', 'Communication', 'Colleges & Applications', and 'Administration'. The main header is 'Manage Professional Accounts' with a 'School Account' link on the right. Below the header, there is a section titled 'Create Professional Center Account'. A red arrow points from the 'Administration' link in the top navigation bar to the error message box. The error message box is pink and contains the following text:

- You must choose an account type
- E-mail address: invalid or absent
- Your email address and confirmation email address did not match. Please type them both in very carefully.
- Password is invalid.

## 5. WORK-BASED LEARNING MODULE

A new Work-Based Learning module has been added to support tracking, student participation, and reporting of Work-Based Learning Opportunities and their associated experiences. Functionality has been added in both the Professional Center and Student Center to manage this process. As part of this new module, RUReady.ND has been partnering with Golden Path Solutions. Golden Path Solutions will be providing Organization and Opportunity information directly from employers.

A Work-Based Learning menu has been added to the Professional Center. Within this menu, tools will be added to allow a professional administrator to manage the process.

*Professional Center Work-Based Learning Menu*

The Organizations page will contain organizations received from Golden Path Solutions. A professional administrator will be able to manage these organizations as well as input and manage school-entered organizations.

### *Work-Based Learning Experience Activity*

With the addition of this new Work-Based Learning Experiences activity, the existing Work Experiences activity has been renamed to Employment Experiences. Student data found in the Job Shadowing Experience activity, Postsecondary Experiences Internships activity, and Postsecondary Experiences Apprenticeship activity has been migrated to the Work-Based Learning Experiences activity. The Early Work Experience activity has been retired, and the data was not migrated.

Students will be able to access the Work-Based Learning Experiences activity through their assigned curriculum or through their portfolio.

The screenshot displays a user interface for a curriculum page. At the top, a header bar includes a circular profile icon with the initials 'JR', the title 'Curriculum', a 'My Progress' indicator, and a 'Get Started!' button. Below the header, the page is labeled 'Page 1' with a 'Print' button. The main content area is titled 'Section 1' and features a vertical progress indicator on the left. Three activity cards are listed: 1. 'Work-Based Learning Experiences' with a folder icon, a description, a 'Career Fair' button, and a link to 'Add or edit an experience'. A red arrow points to the top of this card, which has a blue header bar containing the text 'Please review completion instructions below'. 2. 'Work-Based Learning Opportunities' with a location pin icon, a description, and a link to 'View Work-Based Learning Opportunities'. Its blue header bar says 'View at least one Work-Based Learning Opportunity profile'. 3. 'Compass Assessment' with a compass icon, a description, and a link to 'Try the Compass Assessment'. Its blue header bar says 'Complete at least 60%'.

*Work-Based Learning Experiences Activity in Assigned Curriculum*

The screenshot displays the 360 CHOICES website interface. At the top, a navigation bar includes links for CAREER PLANNING, HIGH SCHOOL PLANNING, COLLEGE PLANNING, FINANCIAL AID PLANNING, and YOUR PORTFOLIO. Below this, a secondary navigation bar lists various planning topics and profile options. The main content area is titled 'Career Planning' and 'WORK EXPERIENCE'. It features three distinct sections: 'Employment Experiences' with a description and an 'Add a new employment experience' link; 'Professional Association Memberships' with an 'Add professional association membership' link; and 'Work-Based Learning Experiences' which includes a description, a link to 'Add or edit an experience', and a small icon of a smartphone. A red arrow points from the 'YOUR PORTFOLIO' link in the top navigation bar to the 'Work-Based Learning Experiences' section. Another red arrow points from the 'Add or edit an experience' link to the 'Work-Based Learning Experiences' section.

### *Work-Based Learning Experiences Activity in Your Portfolio*

The activity will support the recording of student Work-based Learning Experiences including company information, experience hours, and student reflection. The student will be able to track Not Started, In Progress, and Completed Work-Based Learning Experiences. Counselors and parents will have the ability to comment on an experience. The Work-Based Learning Experiences activity will be automatically created when the student accepts an offer.

Work-Based Learning Experience Activity Record

The Work-Based Learning Opportunities activity will track when a student selects and views an opportunity. This activity can be found under Career Planning > Work Experiences.

The screenshot shows the 'Assignment & Curriculum Builder' interface. At the top, there's a blue header with the title and a 'School Account' link. Below the header, a breadcrumb trail reads 'Curriculum > Edit Curriculum > Edit Page > Edit Section'. The main heading is 'Edit Section - Section 1'. A sub-heading says 'Curriculum - Page 1'. The main content area is titled 'Section 1' and contains a 'Find activities by...' section. This section has a 'Portfolio section:' dropdown menu with 'Career Planning: Work Experience' selected, and a 'Search:' text input field. Below these, there are four checkboxes: 'Employment Experiences', 'Work-Based Learning Experiences', 'Professional Association Memberships', and 'Work-Based Learning Opportunities'. A red arrow points to the 'Work-Based Learning Opportunities' checkbox. At the bottom left of the 'Find activities by...' section is a '+ Add Activities' button.
