1. RESOLVED ISSUES

This table summarizes the product improvements included in the February 7, 2023, release.

	Problem	Improvement
1	The link for Your Profile > How You See Yourself > Self Knowledge was not grammatically correct. (PPS-3247)	The prompt text and link for Profile > How You See Yourself > Self Knowledge was updated.

2. WORK-BASED LEARNING UPDATE: JOB SHADOWING

The Job Shadowing activity was reclassified from an exposure activity to an engagement activity. Existing Job Shadowing exposure experiences were updated to engagement experiences.

The screenshot shows a web form titled "Opportunity Details". The form contains several fields: "Organization" (a dropdown menu currently showing "Crafts and More" with a link "Can't find an organization"), "Title" (a text input), "City/Town" (a text input showing "Spokane Valley"), "State/Territory" (a dropdown menu showing "Washington"), "Zip code" (a text input showing "99216"), "Engagement type" (a dropdown menu with a list of options), "Description" (a text input), "Number of openings" (a text input), "Opportunity timeframe" (a text input with an example), and "Schedule" (a text input). A red arrow points from the left towards the "Engagement type" dropdown menu, specifically highlighting the "Job Shadowing" option which is currently selected and highlighted in blue. The dropdown menu also includes options like "Apprenticeship", "Career & Technical Student Organizations", "Cooperative Work Experience", "Internship", "Mentorship", "Part-time/Summer Job", "Practicum", "School-based Enterprise/Project/Simulation", and "Service Learning". At the bottom of the form, there is a small informational note: "Indicate the number of hours per day, number of days per week, number of weeks."

3. TRANSCRIPT NOTIFICATIONS

For schools that use App Docs and/or Common App, professionals will now receive an email notification when they have pending student transcript requests. The student selects the professional from a drop-down list when requesting a transcript.

A screenshot of a web application interface for the University of Idaho. At the top, there's a navigation bar with a back arrow, the text "University of Idaho", and tabs for "Tasks", "Application", "Transcripts" (which is active), "Recommendations", and "Notes". On the right of the navigation bar is a "Plan to Apply" button. Below the navigation bar, the "Transcripts" section is highlighted. The main content area contains a dashed box with a clipboard icon on the left. To the right of the icon, the text reads "Select A Counselor To Get Started", followed by "Choose a counselor who will fulfill your Common App forms and transcript requests." Below this is a label "Select your counselor" and a dropdown menu with "Select one..." and a downward arrow. At the bottom of the dashed box is a blue button with a plus sign and the text "Request Transcript". A red arrow points from the clipboard icon to the dropdown menu.

My Colleges > Transcripts

The professional will receive an email indicating that new or existing transcript requests are pending. The email will be generated daily until the transcript requests are acted upon.
