2. ASSIGNED CURRICULUM & ACTIVITY UPDATES

As part of the roadmap of improvements to the Assignment & Curriculum Builder and individual activities, changes were made to simplify and enhance functionality.

Assignment & Curriculum Builder Updates

Various changes were made to the Assignment & Curriculum Builder and assigned activities. The Assignment & Curriculum Builder Guide was updated to reflect these changes.

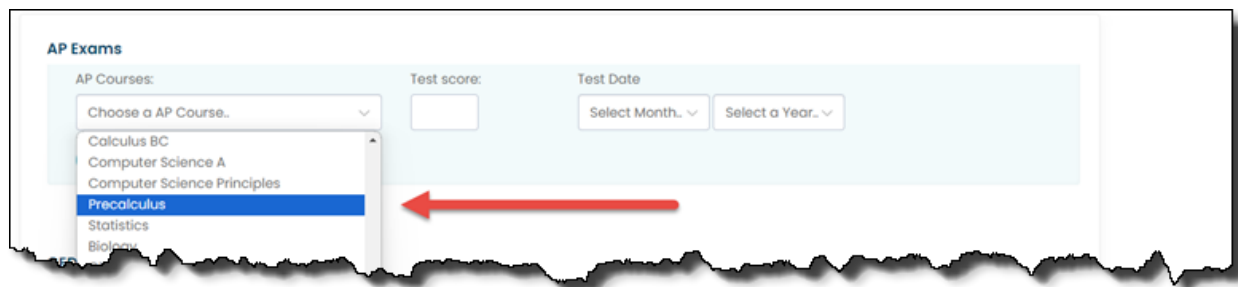

1. Several activities were renamed. The new names are reflected in the Assignment & Curriculum Builder, Milestones, and the Student Center as part of a curriculum and portfolio as well as any associated quick links. The table below contains the current name of the activity and the name to which it was renamed.

Current Name of Activity	Will be Renamed to

Interview Practice	Job Interview Practice

2. When editing a curriculum, the professional user's name and date is updated for all edits except assigning a curriculum to a grade, role, or group.

3. When reassigning annualized assessments as part of an assigned curriculum, students no longer have the option to mark the activity up to date. The student needs to recomplete the activity. These changes apply to the following Assessment activities: Career Cluster Survey, Basic Skill Survey, Transferable Skills Survey, Interest Profiler, Career Key, Work Values Sorter, and Career Cluster Survey.
4. Ribbons were added to many of the trackable, non-annualized activities. The ribbons are displayed when students have been assigned them as part of an assigned curriculum. Activities will now have a blue ribbon that will be updated to green when the activity is completed. These changes apply to the following activities: Saved Career Clusters and Pathways, Career Finder Searches, School Finder Searches, A Picture of Me in the Future, Extracurricular Activities (previously Activities), Self Knowledge, and Aptitudes.
5. When assigning the ACT activity, professionals are no longer able to select the additional options of ACT and Take the SAT/ACT. A student must complete the ACT activity to receive credit for completion.
6. When assigning the SAT activity, professionals are no longer able to select the additional options of SAT and Take the SAT/ACT. A student must complete the SAT activity to receive credit for completion.
7. When assigning the PSAT activity, professionals are no longer able to select the additional options of PSAT, PSAT 10, PSAT 8/9, PSAT 8, and PSAT 9. Students are still able to enter a PSAT, PSAT 10, or PSAT 8/9 on the activity panel.

8. Precalculus was added as an AP Course in the AP Exam activity.

AP Exam Activity

9. The additional tracking options were removed from ACT, SAT, and PSAT activities in the Assignment & Curriculum Builder. Any Report Central or Professional Center reports previously created and saved with these tracking options included will need to be recreated.

Plan of Study

The Plan of Study activity was updated to enhance useability and address minor functionality issues.

An activity panel and landing page were created to limit the amount of time it takes to load a curriculum containing the Plan of Study activity. Modifications to the current functionality were made to accommodate these changes.

Plan of Study Activity Panel

Professionals and parents have access to the landing page. They can view the list of additional plans of study and add comments. Professionals can select a non-primary plan of study and view the course grid.

Scholarship

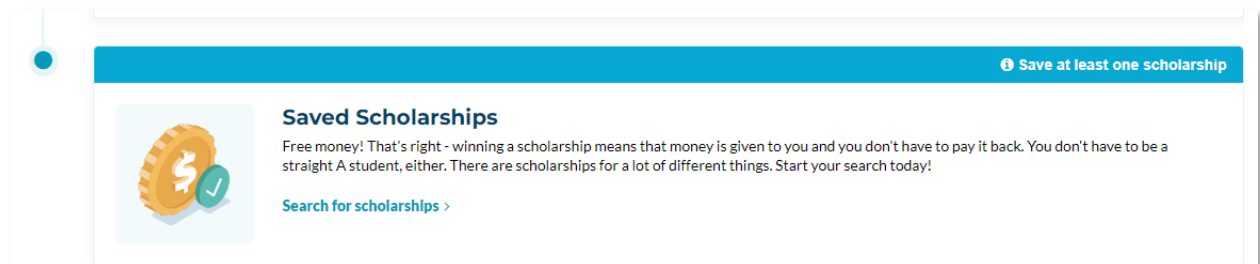

The Scholarship activity was split into two separate activities, Scholarship Profile and Saved Scholarships. These activities are automatically tracked when used as part of an Assigned Curriculum.

To complete the Scholarship Profile activity, students need to view their profile in the Scholarships module and search for matching scholarships.

Scholarship Profile Activity

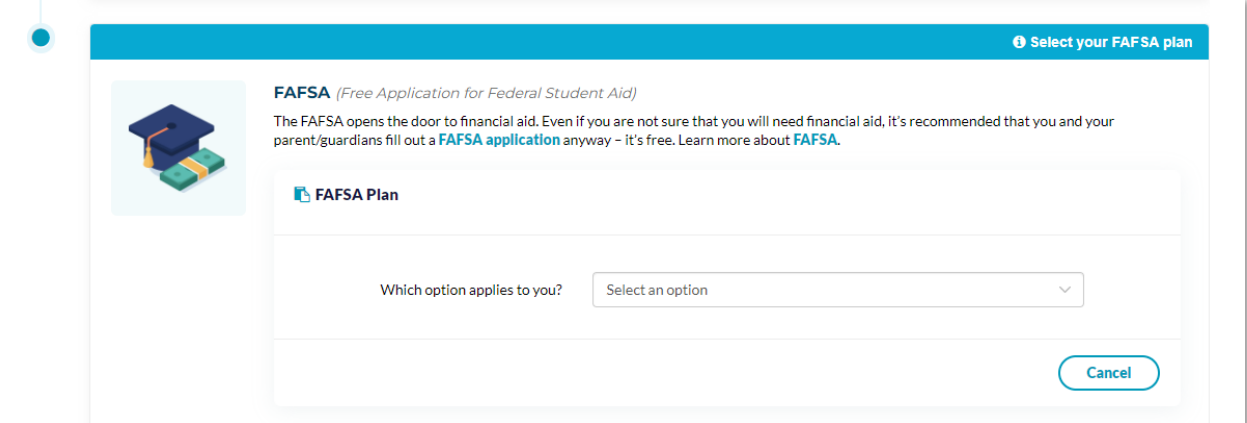

To complete the Saved Scholarships activity, students need to search for and save a scholarship in Matching Scholarships, Find a Scholarship, or Browse Scholarships.

Saved Scholarships Activity

FAFSA

The FAFSA activity was redesigned to allow students to select a FAFSA plan. The plan options are 'I plan to take', 'I do not plan to take', and 'I have taken.' If 'I plan to take' is selected, the student needs to enter an expected completion date and have the option to indicate they need assistance with completing the FAFSA. If 'I have taken' is selected, the student is prompted to enter the date in which they completed the FAFSA. The activity is considered completed or achieved when one of the three options is selected.

The screenshot shows a web interface for selecting a FAFSA plan. At the top, a blue header bar contains the text "Select your FAFSA plan" with an information icon. Below the header, on the left, is an icon of a graduation cap and books. To the right of the icon, the text "FAFSA (Free Application for Federal Student Aid)" is displayed, followed by a paragraph explaining the FAFSA and a link to "Learn more about FAFSA." Below this, a section titled "FAFSA Plan" contains a dropdown menu with the placeholder text "Select an option" and a "Cancel" button.

Saved Careers

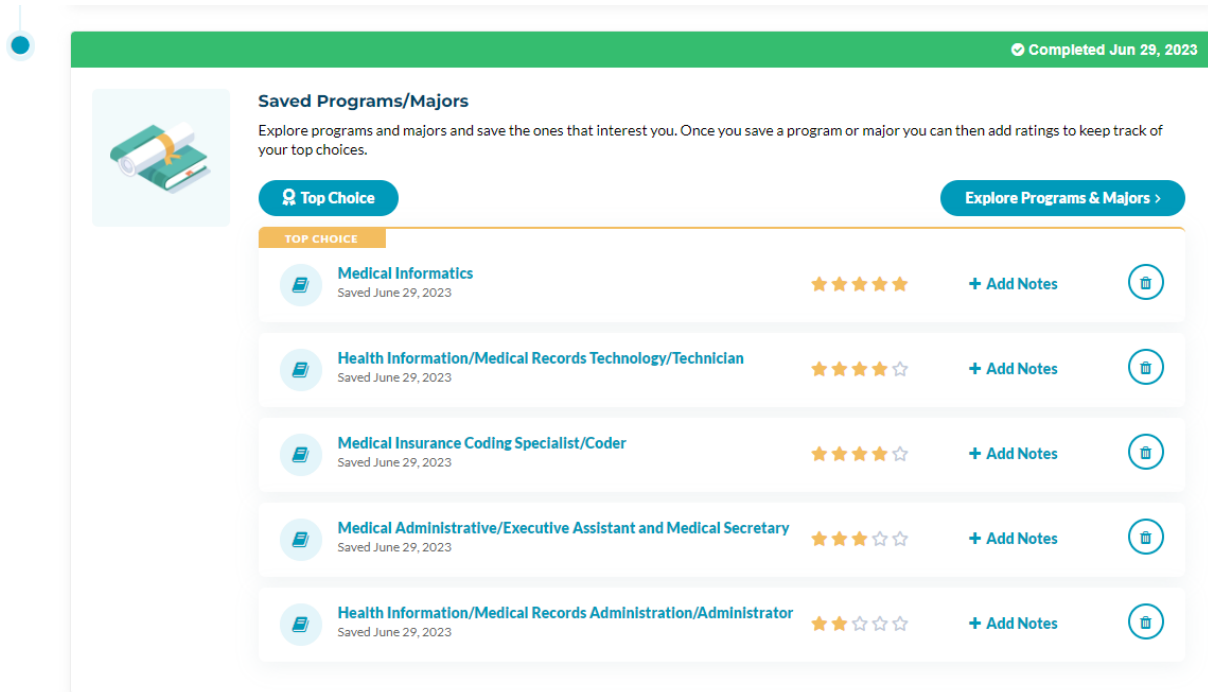

The Saved Careers activity was redesigned with a new look and functionality. Students assigned this activity still need to save at least one career to consider the activity completed or achieved. Along with saving careers, students can rank them in order of interest and indicate their top choice.

Saved Careers Activity

Saved Programs/Majors

The Saved Programs/Majors activity was redesigned with a new look and functionality. Students assigned this activity still need to save at least one program/major to consider the activity completed or achieved. Along with saving careers, students can rank them in order of interest and indicate their top choice.

The screenshot displays the 'Saved Programs/Majors' activity interface. At the top, a green bar indicates 'Completed Jun 29, 2023'. Below this, the title 'Saved Programs/Majors' is followed by a description: 'Explore programs and majors and save the ones that interest you. Once you save a program or major you can then add ratings to keep track of your top choices.' A 'Top Choice' button is visible on the left, and an 'Explore Programs & Majors >' button is on the right. The main content area lists five saved programs, each with a document icon, the program name, the date 'Saved June 29, 2023', a star rating, a '+ Add Notes' button, and a trash icon.

Test Scores

The test score activities were redesigned to allow students to select a test score plan. As part of this redesign, minor functionality issues were also addressed. The activities included in this change are ACT, SAT, PreACT, PSAT, IB Test, and WorkKeys.

Students assigned test score activities can select 'I plan to take', 'I do not plan to take', or 'I have taken' options. Students are prompted to enter a date when selecting 'I plan to take' or 'I have taken.' If 'I plan to take' is selected for the ACT, SAT, and PSAT activities, there is an additional option to request information on receiving a fee waiver. If 'I have taken' is selected, the test score must be entered. The activity is considered completed or achieved when one of the three options is selected.

Student accounts with exam completion dates entered prior to August 2, 2023, were automatically be updated with the 'I have taken' option along with their test results.

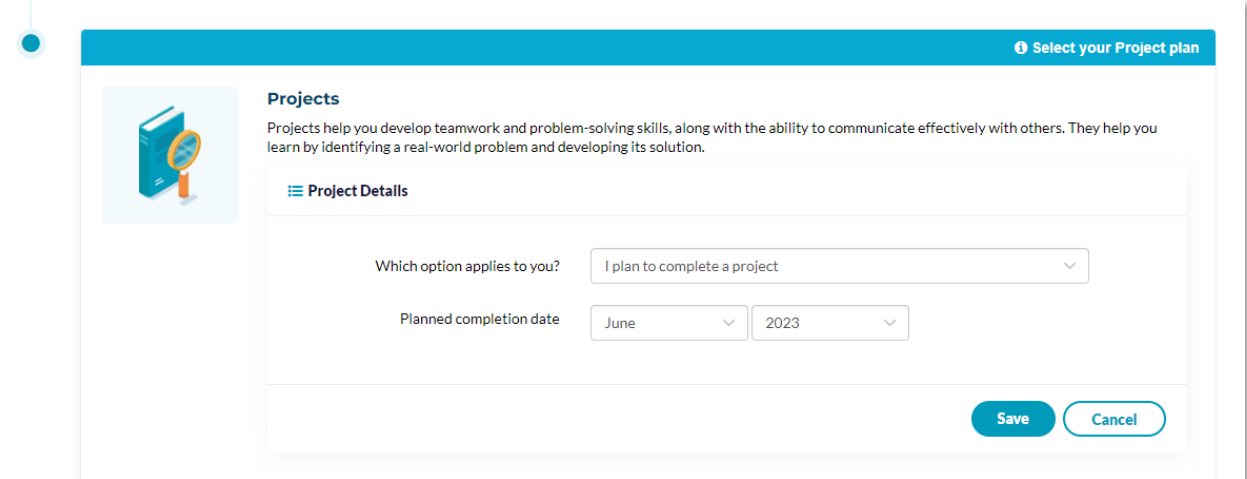

The screenshot shows a web form titled "ACT Scores" with a blue header bar that says "Select your ACT plan". Below the header, there is a dropdown menu for selecting a plan. A red arrow points to the dropdown menu, which is open and shows three options: "PLAN TO TAKE", "HAVE TAKEN", and "DO NOT PLAN TO TAKE". The "PLAN TO TAKE" option is highlighted. To the right of the dropdown menu, there is a text input field for the date, which is currently set to "JUNE" and "2023". Below the date field, there is a link that says "See more information on receiving a fee waiver." At the bottom right of the form, there are two buttons: "CANCEL" and "SAVE".

ACT Activity

Projects

The Projects activity was updated to the new styling. Students have the option to select three options to indicate their projects plan. The values include 'I plan to complete', 'I do not plan to complete', and 'I have completed'. If 'I plan to complete' or 'I have completed' options are selected, dates are required. When 'I plan to complete' is selected, the project fields are displayed. The activity is considered completed when one of the three options is selected.

A documents section was added to list documents for all projects.

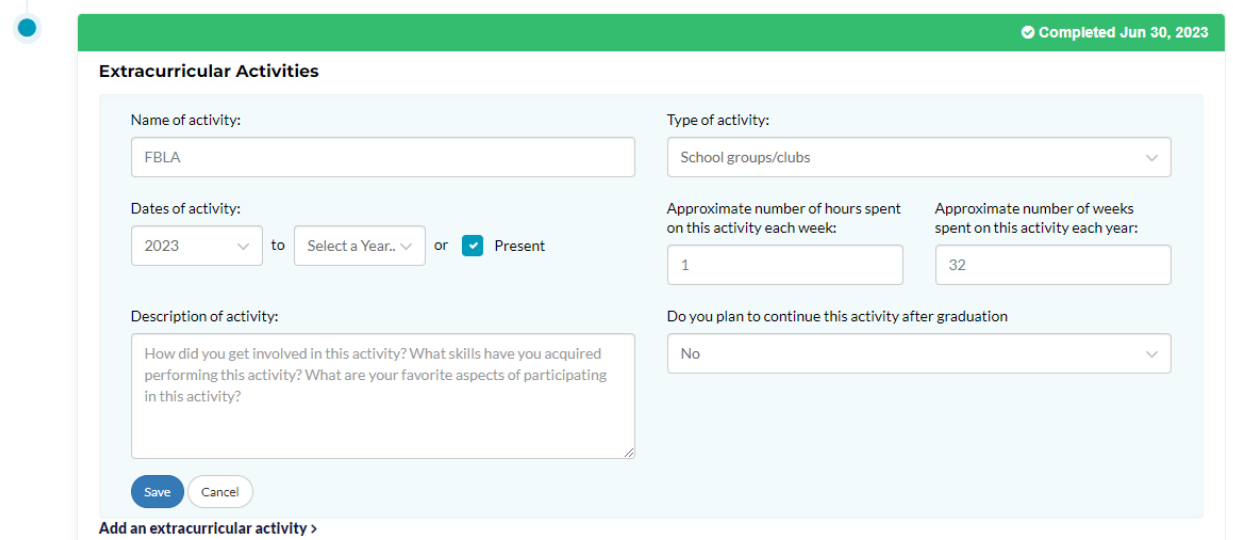

The screenshot shows a web interface for a 'Projects' activity. At the top, a blue header bar contains the text 'Select your Project plan'. Below this, the main content area has a light blue background. On the left, there is an icon of a book with a magnifying glass. To the right of the icon, the title 'Projects' is followed by a description: 'Projects help you develop teamwork and problem-solving skills, along with the ability to communicate effectively with others. They help you learn by identifying a real-world problem and developing its solution.' Below the description, there is a section titled 'Project Details'. This section contains two dropdown menus. The first is labeled 'Which option applies to you?' and has the selected value 'I plan to complete a project'. The second is labeled 'Planned completion date' and has two sub-dropdowns: the first shows 'June' and the second shows '2023'. At the bottom right of the form, there are two buttons: 'Save' (in blue) and 'Cancel' (in light blue).

Projects Activity

Activities

The Activities activity was renamed to Extracurricular Activities. Data from the existing High School Planning > Extracurricular Activities was migrated, and the existing activity was retired. The Type of Activity field within the renamed activity was updated with new drop-down options. Professional Association Management was added, Volunteering and Community Work were removed, Athletics was renamed Sports/recreation, and Church work was renamed Religious Organization. A default blank value was added to the 'Do you plan to continue this activity after graduation?' drop-down list.

The screenshot shows a web application interface for managing extracurricular activities. At the top, a green header bar contains the text "Completed Jun 30, 2023". Below this, the title "Extracurricular Activities" is displayed. The form is divided into several sections:

- Name of activity:** A text input field containing "FBLA".
- Type of activity:** A dropdown menu with "School groups/clubs" selected.
- Dates of activity:** A section with two input fields: "2023" and "Select a Year..", followed by the word "to" and a radio button labeled "Present" which is currently selected.
- Approximate number of hours spent on this activity each week:** An input field containing "1".
- Approximate number of weeks spent on this activity each year:** An input field containing "32".
- Description of activity:** A large text area with the placeholder text: "How did you get involved in this activity? What skills have you acquired performing this activity? What are your favorite aspects of participating in this activity?".
- Do you plan to continue this activity after graduation:** A dropdown menu with "No" selected.

At the bottom of the form, there are two buttons: "Save" and "Cancel". Below the buttons, there is a link that says "Add an extracurricular activity >".

Extracurricular Activities Activity

Degrees and Certification Activities

The Degrees and Credentials and Licenses and Certification activities was updated. Degrees and Credentials Earned was renamed Degrees Earned. Licenses and Certifications was renamed Credentials Earned. Along with these changes, field names were updated.

The screenshot shows a web form titled "Degrees Earned" with a blue header bar containing the text "Save at least one degree/credential". The form is divided into two main columns. The left column contains the following fields: "Name of degree earned:" with a text input field, "City:" with a text input field, and "Date attained:" with two dropdown menus labeled "Select a month" and "Select a year...". The right column contains: "Institution that issued the degree: Harvard University" (pre-filled), "State:" with a dropdown menu labeled "Select a state", and "Degree description:" with a large text area containing the placeholder text "Describe the skills and knowledge you attained in earning this degree. You may want to include names of courses that you took." At the bottom left of the form are "Save" and "Cancel" buttons.

Degrees Earned Activity

The screenshot shows a web form titled "Credentials Earned" with a blue header bar containing the text "Save at least one license/certification". The form is divided into two main columns. The left column contains the following fields: "Credential name:" with a text input field, "Date achieved:" with two dropdown menus labeled "Select a month" and "Select a year...", and "Description:" with a large text area. The right column contains: "Certifying organization:" with a text input field and "State:" with a dropdown menu labeled "Select a state". At the bottom left of the form are "Save" and "Cancel" buttons.

4. EVIDENCE DOCUMENTS

Text was added to the Evidence Documents activity to state what type of files are allowed to be uploaded and the file size limit. The accepted document forms are PDF, DOC, DOCX, JPG, PNG, and TIFF. They all have a 10MB size limit.

When a student uploads a file that does not meet the file requirement type, the error message displays in the My Evidence Documents activity.

The screenshot displays the 'My Evidence Documents' interface. At the top, there is a red error message box with the text: 'You should select a document.' and 'You should enter title for a document.' A red arrow points from this message to the 'Choose File' button in the upload form below. The upload form, titled 'Upload a document', contains instructions: 'Click Browse to find the file, then enter a title for the document and click Upload & Save.' and 'Accepted formats: PDF, DOC, DOCX, JPG, PNG, and TIFF (10MB size limit)'. A red arrow points from this instruction to the 'Title for the document' input field. The form includes two main sections: 'File name and location:' with a 'Choose File' button and 'No file chosen' text, and 'Title for the document:' with a text input field. A note on the right states: 'This will become the link to click to access the file.' At the bottom of the form are 'Upload & Save' and 'Cancel' buttons.

6. WORK-BASED LEARNING UPDATE: INDUSTRY FIELD

The Industry field was added to the Overview tab of an Organization. The purpose of the field is to track the industry of an organization using the North American Industry Classification System (NAICS). It is a required field and, when editing existing organizations, the field must be populated prior to saving the record.

The screenshot displays the 'Overview' tab of an organization's profile. At the top, it says 'Overview' and 'Updated on: May 19, 2023 by Samuel Newman'. Below this, the 'Logo' section has a 'Choose Files' button and a note: 'Accepted formats: jpeg, png, jpg (10MB size limit)'. A light blue box contains recommendations: 'Recommendations: transparent background, max size 300px by 300px. If no logo provided, your organization will be represented by the first letter of your company name'. The 'Website' field contains 'http://example.com'. The 'Headquarters location' field is empty. The 'Organization size' dropdown is set to 'Micro (fewer than 10 employees)'. The 'Year organization established' field contains '1991'. The 'Industry *' dropdown is set to 'Retail Trade', and a red arrow points to it. The 'Primary career cluster *' dropdown is set to 'Business Management and Administration'. At the bottom, the 'Organization careers' field has a placeholder 'Start typing to search'.
