RELEASE NOTES SUMMARY

These release notes detail the product improvements and new features included in the July 25, 2024, release.

Resolved Issues

- A. The print output for Postsecondary Plans (Your Portfolio) was missing the After High School Transition Plan.
- B. Text for career or technical schools in the activity, Directions After High School, was not displaying correctly.
- C. When the My Goals and Action Plans activity was assigned with more than one goal required for completion, the system was incorrectly determining when the activity was complete.
- D. Testing indicated that the Skip Navigation link (for screen readers) in the Scholarships feature in the Student Center was prompting errors.
- E. When resetting a student's password, a professional could enter a password longer than 12 letters in the text box.

Enhanced & New Features

- 1. Annual AP Course List Update

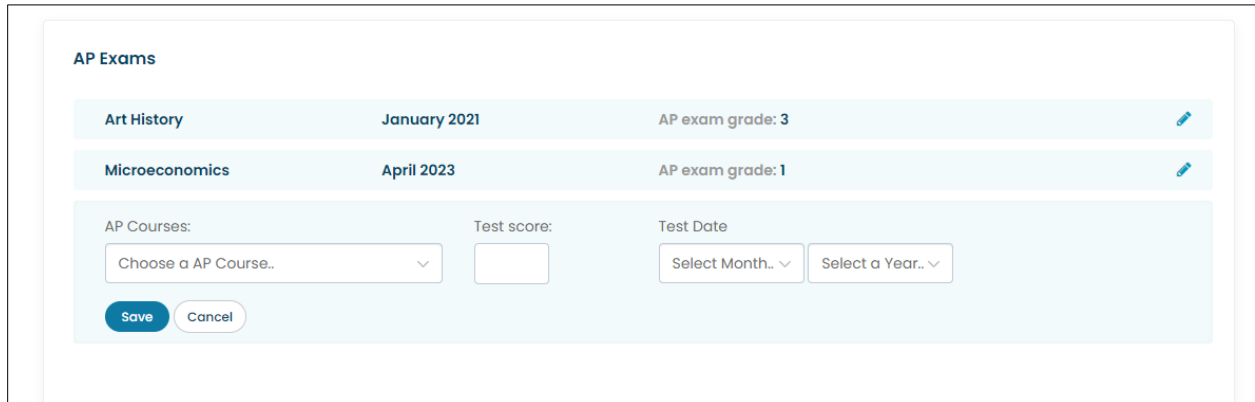

RESOLVED ISSUES

This table summarizes the product improvements included in the July 25, 2024, release.

	Problem	Improvement
A.	The print output for Postsecondary Plans (Your Portfolio) was missing the After High School Transition Plan (PPS-7029)	The print now includes the After High School Transition Plan activity.
B.	Text for career or technical schools in the activity, Directions After High School, was not displaying correctly. (PPS-7023)	The text is displayed correctly.
C.	When the My Goals and Action Plans activity was assigned with more than one goal required for completion, the system was incorrectly determining when the activity was complete. (PPS-2462)	The system now determines completion correctly.
D.	Testing indicated that the Skip Navigation link (for screen readers) in the Scholarships feature in the Student Center was prompting errors. (PPS-7192)	The Skip Navigation link was removed as it was not necessary.
E.	When resetting a student's password, a professional could enter a password longer than 12 characters in the text box. (PPS-7219)	The text box has been updated so a password longer than 12 characters cannot be entered.

1. ANNUAL AP COURSE UPDATE

Each year XAP updates the list of AP courses in the activity, AP Exams. In this activity students can select the AP courses for which they wrote the exam, their score, and the test date. The activity can be assigned to students using the Assignment & Curriculum Builder in the Professional Center.

The screenshot displays the 'AP Exams' section of a student's portfolio. It features a table with two rows of exam data and a form below for adding a new entry.

AP Course	Test Date	AP Exam Grade	Action
Art History	January 2021	AP exam grade: 3	
Microeconomics	April 2023	AP exam grade: 1	

Below the table is a form with the following fields:

- AP Courses:
- Test score:
- Test Date:

At the bottom of the form are two buttons: **Save** and **Cancel**.
