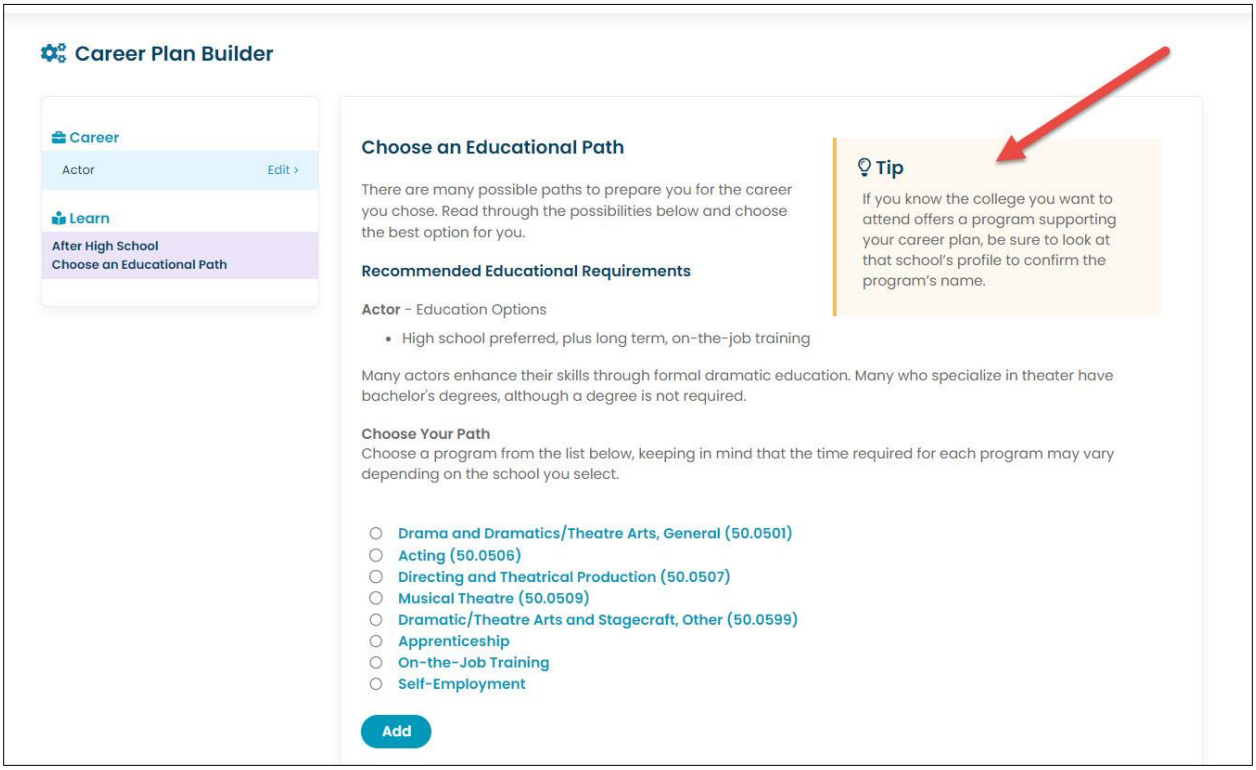
RESOLVED ISSUES

This table summarizes the product improvements included in the October 31, 2024, release.

	Problem	Improvement
A.	The temporary password was, on occasion, not authenticating the user. (PPS-6721)	The issue has been resolved.
B.	The results page from the Ability Profiler was not printing correctly. (PPS-7334)	The print now displays the correct text.
C.	The spacing around the Career Clusters Map activity was not aligned properly. (PPS-7719)	The styling was updated.
D.	The Networking activity was missing the link “Add a network contact” and was in an older style. (PPS-7741, PPS-7518)	The link was added and the activity was restyled to bring it up to date with current UI/UX standards.
E.	The Google Translate selection box was not displaying the full language list. (PPS-7756)	The selection box was updated with scroll bars to ensure all possible languages are visible and can be selected.
F.	The activity, Leadership Experiences, was in an older style. (PPS-7520)	The activity was restyled to bring it up to date with current UI/UX standards.
G.	The activity, A Picture of Me in the Future, was in an older style. (PPS-7521)	The activity was restyled to bring it up to date with current UI/UX standards.
H.	The activity, My Reviews and Comments, was in an older style. (PPS-7522)	The activity was restyled to bring it up to date with current UI/UX standards.
I.	The activity, Demographics, was in an older style. (PPS-7703)	The activity was restyled to bring it up to date with current UI/UX standards.
J.	The activity, High School Transition Plan, was in an older style. (PPS-7706)	The activity was restyled to bring it up to date with current UI/UX standards.
K.	The activity, Enrichment Courses and Workshops, was in an older style. (PPS-7707)	The activity was restyled to bring it up to date with current UI/UX standards.
L.	The activity, ASVAB, was in an older style. (PPS-7710)	The activity was restyled to bring it up to date with current UI/UX standards.
M.	The Add-on Services page in the Professional Center was updated. (PPS-7736)	Descriptions of the add-on services were revised.

1. TOOLTIP ADDED TO THE CAREER PLAN BUILDER

Occasionally a student cannot find the program and college they wish to attend in the Career Plan Builder. To help with this situation, a tooltip has been added to the Choose Educational Path step.



New tooltip for students

2. FINANCIAL AID WIZARD CONTENT UPDATED

The content in the Financial Aid Wizard was reviewed and updated to reflect numerous changes to financial aid including FAFSA deadlines and openings and clearer explanations.
