Enhanced & New Features

1. New Ai-Powered Help Widget
2. New CareerViewXR Experiences

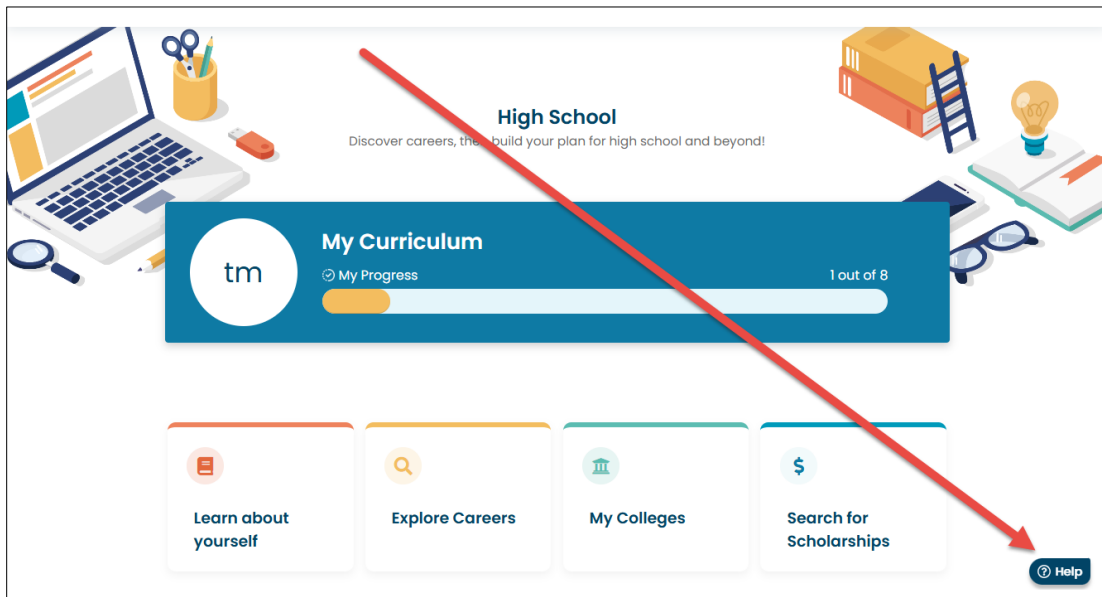

RESOLVED ISSUES

This table summarizes the product improvements included in the December 6, 2024, release.

| | Problem | Improvement |
|----|----------------|--------------------|
| A. | N/A | |

1. NEW AI-POWERED HELP WIDGET

To make support faster, easier, and more accessible for students, parents, and professionals, Choices360 now features a powerful new Ai-powered support widget. The Need Help icon is conveniently located in the lower-right corner of every page and available on any device for seamless assistance whenever and wherever you need it.

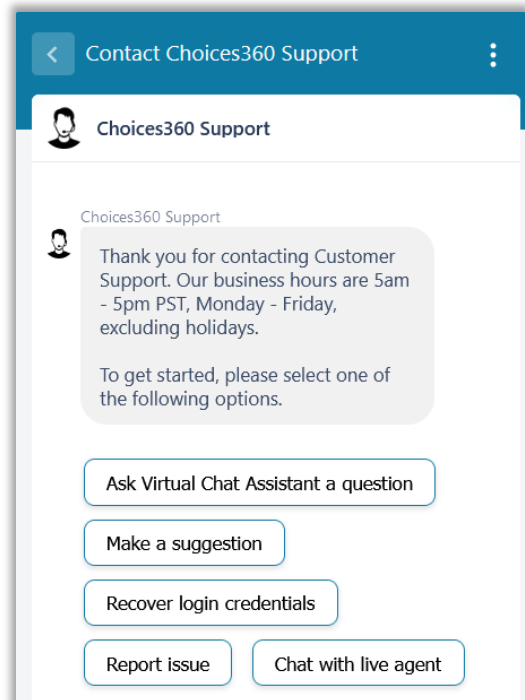

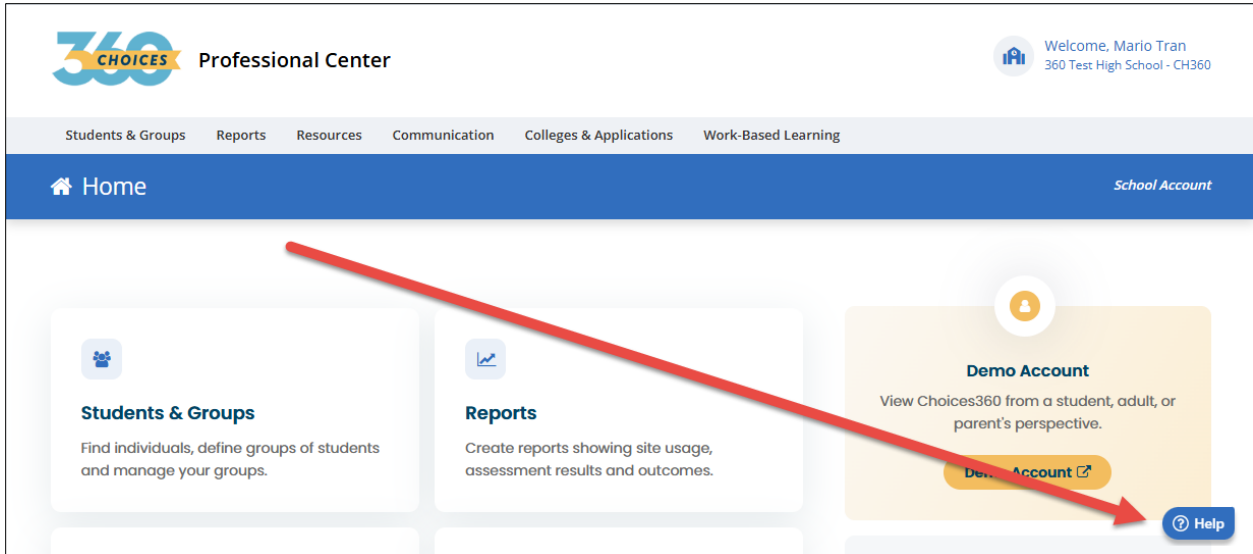

Choices360 Student Center

With just one click, users can:

- Instantly connect with the Ai assistant to get quick answers to common questions.
- Provide feedback or report issues effortlessly.
- Connect with a live agent via chat or phone during regular business hours for personalized assistance.
- Send an email to customer support for additional assistance.

Backed by XAP's dedicated customer support team, we're committed to providing you with a smooth, responsive, and effective support every step of the way.

Choices360 Professional center

As a result of the addition of the help widget, the following pages in Choices360 have been removed and replaced by the widget:

- Need Help
- FAQs
- Talk to Us

2. NEW CAREERVIEWXR EXPERIENCES

CareerViewXR has released 15 new work experiences covering the following careers and industries:

- Accounting Firm
- Battery Manufacturer
- Beet Sugar Factory
- Commercial Lobster Fishing
- Compact Equipment Manufacturer
- Contract Harvesting
- Custom Coating Solutions
- Custom Fabricated Steel Solutions
- Electronics Developer
- Insulated Glass Manufacturer
- Paleontologist
- Product Developer & Manufacturer
- Professional Theater Production
- Tank and Vessel Manufacturer

[CareerViewXR](#) experiences use 360-degree technology to produce interactive web-based tours and companion virtual reality videos that get viewers into the heart of a career. Students and job seekers love getting up close and personal with our experiences, having fun and learning about high-demand industries such as healthcare, skilled trades, energy, and more.

CareerViewXR can be integrated with Choices360 or can stand alone and is compatible with the devices you already have in your classroom-including computers, smartphones, tablets, smartboards, and more!
