

LET'S GO TO COLLEGE: SCHOOL SPIRIT

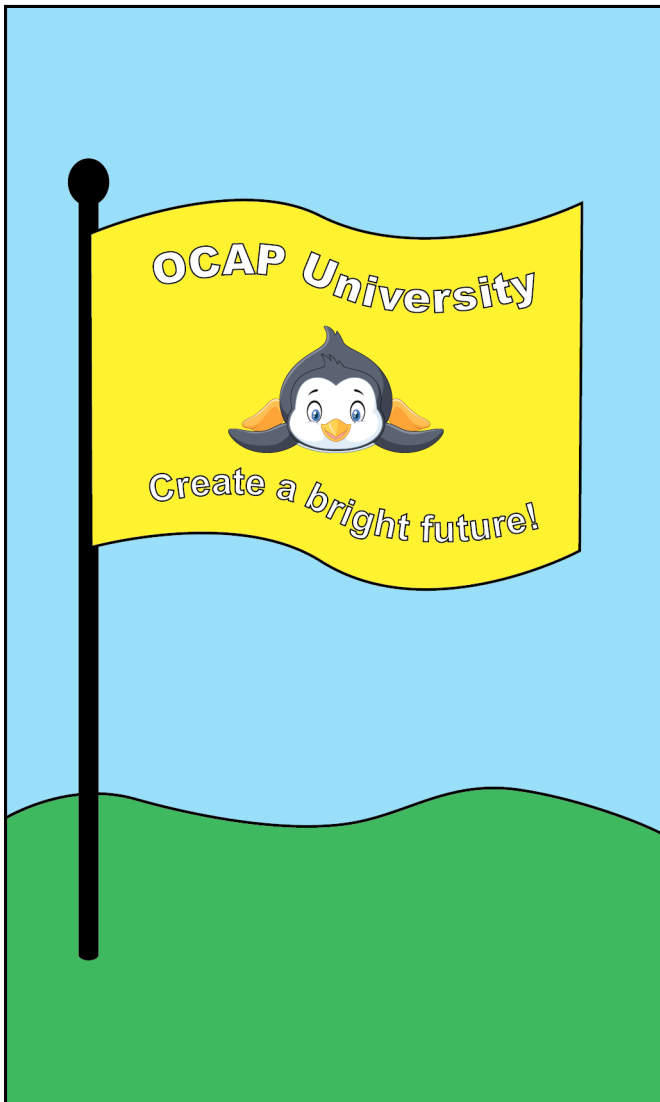

(2nd-3rd Grade)

College isn't just about classes — it's also a chance to have fun and try new things. One great way to explore your interests is by joining a club. Most colleges have a wide variety of options, like Drama Club, Art Club or Science Club, so there's something for everyone. Being part of a club also helps you show school spirit and pride in being part of your college community.

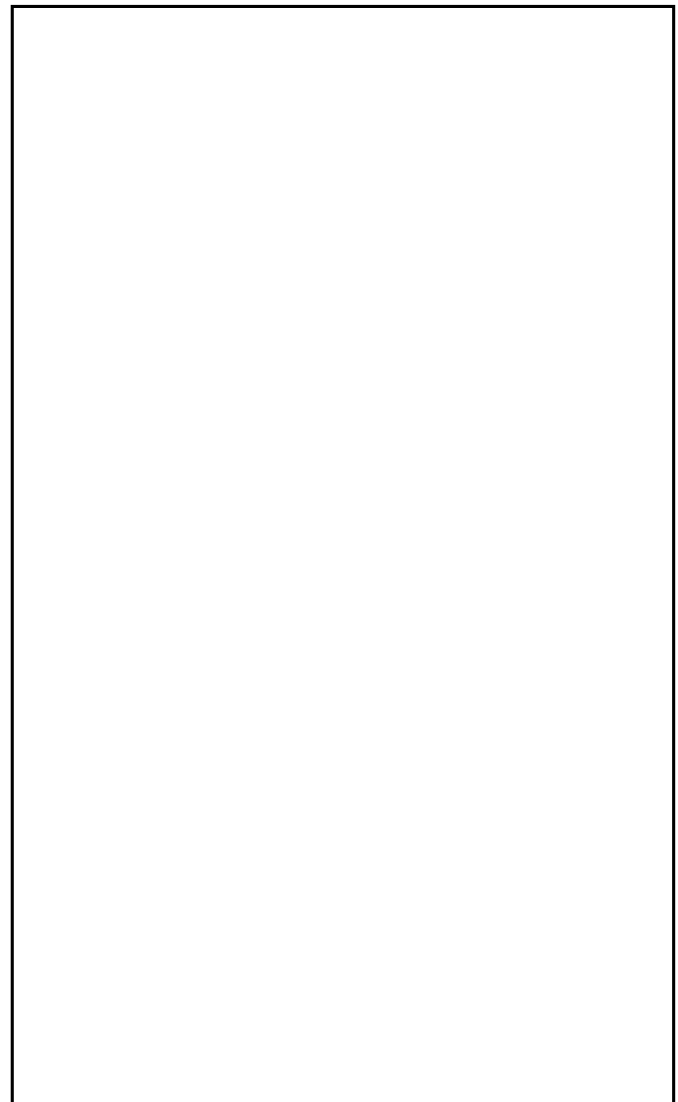

CREATE A MOTTO

Instructions: Many colleges have a favorite saying or phrase that expresses the belief of the school, called a motto. Create a motto on a flag below for the college you want to attend.

EXAMPLE

YOUR PICTURE

INVOLVEMENT FAIR

Instructions: The posters below describe a certain activity. Decide which activity goes with each poster.

- Robotics Club
- Cooking Club

- Soccer Team
- Volleyball Team

- Band
- Art Club

Join us! We love to make crafts!

Come spike it over the net with us!

There's a place for you in our technology club!

If you want to play an instrument, we're for you!

Let's whisk up great food together!

Score some goals by joining our team!
