

EXPLORE

Discover options for careers and education beyond high school.

SET GOALS

Think about where you're headed.
Set career and academic goals.

PLAN

Take classes in high school
that align with your goals.

PREPARE

Whether you're headed to college, a career technology center, the military or straight to work, get ready for your next steps.

TAKE ACTION

Build a resume, take campus tours, complete work-based learning experiences, search for scholarships, submit applications.

WHERE ARE YOU HEADED?
