### Use WaytoGoRI to Explore Career and College Options:

#### Career Planning

- Take a **career assessment** to discover your interests, values, skills and suggested careers.
- **Explore careers** and learn about job requirements, education, salary and job outlook.
- Use the **Career Finder** to review a comprehensive list of civilian careers matching your military experience. Find careers with the characteristics you want and review **Local and National Job Banks**.
- **Get A Job** - Create resumes, cover letters and thank you letters. Prepare for an interview and review the library of advice from career experts on job hunting, career planning and surviving in the workplace.
- **Military Careers & RI Resources** - Write a civilian resume from your military experiences.

#### College Planning

- Find colleges and universities that best suit your goals using the **School Finder**.
- Use the **College Matching Assistant** to identify schools that match your criteria.
- Explore **Programs and Majors** - Review the programs and majors that meet your career goals.

#### Financial Aid Planning

- **Veteran's Education Information** - If you have served in the United States Military and are interested in returning to school you can review the resources to assist with your postsecondary education.
- **Financial Aid 101** - Make the process less confusing and find answers about paying for college.
- Find **Scholarships** - Search from over 15,000 national scholarship options to help pay for your education.
- **Financial Fitness** - Learn how you can manage your personal finances successfully.

#### Your Portfolio

- **Save your information** to your portfolio to explore options, set plans and meet your goals.
- Career Planning - **Worksheets** are available to help you prepare for job interviews and your job search.
- College Planning - **Postsecondary Plans** - use the tools available to help with postsecondary planning.

#### Search

- The **keyword search** on the top of every page of WaytoGoRI.org finds anything and everything you need to know about career and education planning. Just type in a keyword and GO!
