## ACADEMIC SCHOLARS

### Academic Scholars Program 2015-16 Year-End Report

#### Highlights:

- ◆ In fall 2015, 350 freshmen were designated National Merit Scholars by the National Merit Corporation, a decrease of 34 or 9% from 384 in fall 2014.
- ◆ A total of 2,335 students at Oklahoma public and private colleges and universities were enrolled in the Academic Scholars Program in fall 2015, a decrease of 4 students from 2,339 students enrolled for fall 2014.
- ◆ In 2015-16, total program expenditures were \$10,323,075, an increase of \$89,675 compared to 2014-15. The total was offset by over \$2.2 million in refunds to comply with the 20% non-resident participation limit.
- ◆ The 2015 freshman class totaled 710 students (463 “automatic qualifiers” and 247 Institutional Nominees) compared to 782 students (537 “automatic qualifiers” and 245 Institutional Nominees) in the 2014 freshmen class.
- ◆ Since 2001, an average of 13.5% of program participants lose the scholarship after one year in the program. On average, about 76% of participants retain the scholarship through their fourth year of eligibility.
- ◆ For the 2,060 participants entering into the program between 2008-2010, 78% (1,601) received at least an associate degree from an Oklahoma institution within 6 years.
- ◆ About 72% of all the program’s graduates remain in Oklahoma one year after graduation. The retention rate for Oklahoma residents in the program (77%) is significantly higher than for non-residents (55%).
- ◆ About 86% of the program participants attend three universities—University of Oklahoma (57%), Oklahoma State University (20%) and the University of Tulsa (9%). The remaining participants attend public regional universities (7%), public two-year colleges (3%) and other private universities (3%). The three largest participating institutions also account for 92% of the total program expenditures.
- ◆ Available data indicates that program participants generally come from higher income families. About 47% of participants did not apply for federal financial aid, indicating a lack of financial need or eligibility for federal student aid. Of the 53% of participants that reported parental income on the 2015-16 federal application, 84% reported a family income of \$50,000 or higher; 55% reported family income of \$100,000 or more.
- ◆ Participation rates for ethnic minority students have remained small over the past five years; the rate for ethnic minority students in the program in 2015-16 was 0.6% for Black students, 3.1% for Hispanic students, and 2.8% for American Indian students.

## Qualifying Criteria

To automatically qualify for the Academic Scholars Program, Oklahoma residents and nonresidents must have received the designation of National Merit Scholar, National Merit Finalist, or Presidential Scholar. Oklahoma residents may also qualify by achieving a score in the top one-half percentile on the ACT or SAT. For 2015, the qualifying ACT score was a sum score of 134 and SAT score was 1560 on the math and verbal sections.

The 1999 Legislature created another avenue by which students can qualify for ASP awards-Institutional Nominees. Applicants may qualify for consideration at public colleges and universities by meeting at least one of the two criteria listed below:

### One of the Two Criteria

<u>Tier</u>	<u>ACT or SAT Equivalent</u>	<u>GPA and Class Rank</u>
Research	32 or SAT Equivalent	GPA 3.9 and either Top 2% Class Rank or rank of first or second in their graduating class
Regional Universities	30 or SAT Equivalent	GPA 3.8 and either Top 4% Class Rank or rank of first or second in their graduating class
Two-Year Colleges	29 or SAT Equivalent	GPA 3.7 and either Top 5% Class Rank or rank of first or second in their graduating class

## X. Non-Resident Participation Limit

- ◆ The statutes governing the Academic Scholars Program (Title 70, Section 2404) limit nonresident student participation to 25% of awards or funding.
- ◆ For the 2008-09 through 2011-12, to keep the program in compliance with the statutory limits, institutions exceeding 25% nonresident participation were required to refund program funds. In June 2010, the State Regents took further action to reduce the limit on nonresident student participation to 20% of awards or funding beginning with the 2012-13 academic year. As a result, the total amount refunded increased from about \$1.4 million in 2011-12 to almost \$1.8 million in 2012-13.
- ◆ For the 2015-16 academic year, six institutions (University of Oklahoma, University of Oklahoma Health Sciences Center, University of Sciences and Arts of Oklahoma The University of Tulsa, Oklahoma Christian University, and Oklahoma City University) exceeded 20% in nonresident student participation and were required to make refunds to the program totaling \$2,228,964.
